** APPLICATIONS CHARGED AT COST – Fees for projects identified within this fee schedule as “CHARGED AT COST” will be charged on an actual cost basis. A minimum fee, as specified within Ordinance No. 6102, shall be required at the time the application for each such project is submitted. After staff review of the application, a preliminary estimate of costs will be provided to the applicant if the costs are expected to exceed the minimum fee. In this case an additional fee will be required prior to completion of work on the project. Minimum initial “At Cost” deposit is nonrefundable. Revisions to previously approved projects remain “At Cost”.

*** Projects involving multiple scopes of work permitted under various disciplines shall be consolidated under one At Cost account and only charged the greatest applicable at cost minimum deposit.

◇Fees added 07/01/2022 using methodology created by NBS Consultants framed to increase cost recovery by using a fully burdened rate rather than a specific job class hourly rate.
