County of Sonoma
State of California

Date: September 24, 2019

Item Number: _____

Resolution Number: _____

☐ 4/5 Vote Required

Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California, Designating the Intersection of Barnett Valley Road (#69011) and Olsen Road (#69054 As A Stop Intersection And That All-Way Stop Controls Be Placed At All Entrances Thereto).

Whereas, pursuant to California Vehicle Code Sections 21354 and 21355, local agencies may designate intersections under their jurisdiction as stop intersections and may erect stop signs at one or more entrances thereto; and

Whereas, the California Vehicle Code provides that local agencies may regulate traffic by means of official traffic control devices by adopting ordinances or resolutions, and that whenever local authorities are given the power to take action by ordinance in pursuant to Division 11 (including Sections 21354 and 21355) or Division 15 of the California Vehicle Code, they shall also have the power to take such action by resolution; and

Whereas, Sonoma County seeks to ensure a safe and efficient road network; and,

Whereas, based on field study and analysis under applicable standard design and warrant criteria, the Department of Transportation and Public Works has concluded that all-way stop controls are appropriate at the intersection of Barnett Valley Road (#69011) and Olsen Road (#69054) and has recommended that the Board designate the intersection of Barnett Valley Road and Olsen Road as a stop intersection and with all-way stop control at all entrances thereto;

Now, Therefore, Be It Resolved that said intersection of Barnett Valley Road and Olsen Road is designated as a stop intersection and that all-way stop controls be placed at all entrances thereto.
