Payments shall be made only upon the satisfactory completion of the services as determined by the County.

2.1. Overpayment. If County overpays Contractor for any reason, Contractor agrees to return the amount of such overpayment to County at County's option, permit County to offset the amount of such overpayment against future payments owed to Contractor under this Agreement or any other agreement.

2.2. Pursuant to California Revenue and Taxation code (R&TC) Section 18662, the County shall withhold seven percent of the income paid to Contractor for services performed within the State of California under this agreement, for payment and reporting to the California Franchise Tax Board, if Contractor does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or Partnership with a permanent place of business in California, (3) a corporation/LLC or Partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Contractor is qualified, then the County requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, the contractor agrees to promptly notify the County of any changes in the facts. Forms should be sent to the County pursuant to Article 12. To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

## 3. Term of Agreement.

4.3. Change in Funding. Contractor understands and agrees that County shall have the right to terminate this Agreement immediately upon written notice to Contractor in the event that (1) any state or federal agency or other funder reduces, withholds, terminates or funds are not made available for which the County anticipated using to pay Contractor for services provided under this Agreement or (2) County has exhausted all funds legally available for payments due to become due under this Agreement.

4.4. Delivery of Work Product and Final Payment Upon Termination. In the event of termination, Contractor, within 14 days following the date of termination, shall deliver to County all materials and work product subject to Article 9.19 (Ownership and Disclosure of Work Product) and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.5. Payment Upon Termination. Upon termination of this Agreement by County, Contractor shall be entitled to receive as full payment for all services satisfactorily rendered and expenses incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Article 4.2, County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.6. Authority to Terminate. The Board of Supervisors has the authority to terminate this Agreement on behalf of the County. In addition, the Purchasing Agent or the Director of the Human Services Department, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of the County.

This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents, employees, contractors, subcontractors, or invitees under workers' compensation acts, disability benefits acts, or other employee benefit acts. This indemnity provision survives the Agreement.

6. Insurance.

With respect to performance of work under this Agreement, Contractor shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described in "Exhibit C: Insurance Requirements" (hereinafter "Exhibit C"), which is attached hereto and incorporated herein by this reference.

7. Prosecution of Work.

The execution of this Agreement shall constitute Contractor's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work.

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not exceed the delegated signature authority of the Department Head and which do not significantly change the scope of work or significantly lengthen time schedules may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors must authorize all other extra or changed work. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor.

9.1. Standard of Care. County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

Nothing contained in this Agreement shall be construed to give County the power to direct and control the day-to-day activities of Contractor, and

nothing in this Agreement shall be deemed or construed to create the relationship of principal and agent, or of partnership or joint venture, or to give either Party the power or authority to act for, bind, or commit the other Party in any way. Contractor shall have the right to set their own hours and location of work, consistent with the nature of the services provided under this Agreement. Contractor shall determine the method, means and manner of performance of, but not limited to, such matters as outlined in Exhibit "A," without restriction by County. 2. **Exhibit A-2:** Scope of Work – To-Go Meals
3. **Exhibit A-3:** Scope of Work – Congregate Meals

### **Scopes of Work General Requirements**

1. Language Capacity:

Take reasonable steps to ensure that program services are available to Spanish-speaking persons or limited-English speaking persons, including but not limited to the accessibility of services and program information by means of the following:

- a) Bilingual provider staff available.
- b) Translated written information materials, including enrollment information, forms, descriptions of available services and programs, advertising and outreach flyers.

2. Equity Statement:

The County of Sonoma supports fair, accessible, and relevant services that promote equity and social justice for families and individuals. In January 2021, Sonoma County’s Board of Supervisors approved a five-year strategic plan, which includes a Racial Equity and Social Justice pillar. The pillar is made up of specific goals and objectives that will lead to normalizing, organizing, and operationalizing a new way of seeing our challenges, conducting analysis, and implementing new policies to ensure a workforce reflective of the community we serve and to achieve racial equity in County service provision.

3. Results-Based Accountability (RBA) Plan:

Advancing equity in our community demands that we look at community and program level data by race and other social demographics to adopt strategies to eliminate inequities. The RBA framework centers communities with the greatest need while creating a data driven culture that uses root cause analysis, participatory practice, organizational self-reflection and authentic relationship building.

Measurable change is a core component of a data driven culture. RBA uses Performance Measures to look at the quality, efficiency, and outcome of services. RBA asks three Performance Measure questions to get at the most important program outputs and outcomes: How much did we do? How well did we do it? Is anyone better off?

1. Contractor must attend one RBA training.
  2. County and Contractor will develop a Results Based Accountability (RBA) Plan to develop Performance Measures reflective of outcomes included in the scope of work.
  3. Development of outcomes will be a collaborative effort between the County and Contractor.
  4. Contractor will apply, document, and report on Performance Measures and activities detailed in the RBA Plan.
    - a. Contractor will disaggregate the Performance Measures by demographics and geographic area for reporting when possible.
    - b. Contractor will submit quarterly Performance Measure data to County by the 15th of the month following the month of the end of the quarter.
  5. Contractor will participate in periodic conversations and monitoring as defined in the RBA Plan.
  6. The RBA Plan may be modified at any time as agreed to in writing by both parties.
  7. The RBA Plan must be completed within two (2) months of commencing the creation of the Plan.
  8. Upon contract closeout, Contractor will report client demographics for program if available.
4. Voluntary Contributions/Program Income: Under this Agreement, Contractor will:
- 4.1. Provide each participant with the opportunity to voluntarily contribute to the cost of the service by developing a notice to participants. Notices provided to participants regarding contributions shall be identified as “voluntary” and contain language that “no individual can be denied participation because of failure or inability to contribute.”

These documents cannot include the words “bill, invoice or statement” or otherwise indicate or infer a contribution is required. The template for voluntary contributions must be submitted to AAA Program Staff within thirty (30) days of the contract’s start date. Any changes to this template must be communicated to AAA Program Staff prior to use.
  - 4.2. Protect the privacy of each participant with respect to contribution made. This privacy protection is to include establishing procedures to safeguard and account for all contributions. Procedures must be submitted to AAA Program Staff within thirty (30) days of the contract’s start date.
  - 4.3. Ensure that all Program Income is reported and expended under the same terms and conditions as the program funds from which it is generated. Program Income means revenue generated by Contractor from contract-supported activities, including voluntary contributions received from a participant for services received. See Exhibit B – Fiscal Provisions.
5. Contract Funding: Under this Agreement, Contractor will:

- 5.1. Agree not to use contract funds to pay the salary or expenses of any individual who is engaging in activities designed to influence legislation or appropriations pending before the Congress (22 CCR § 7364 (a) 2).
- 5.2. Comply with budget reduction in the event the service levels specified in Section 5 are not attained (22 CCR § 7364 (a) 3).
6. Service Compliance: Under this Agreement, Contractor will:
  - 6.1. Ensure contract is in full contract compliance within 120 days of the beginning date of the contract. County shall evaluate Contractor's capacity to fulfill contract goals if full compliance by this time period has not occurred (22 CCR § 7364 (c)).
  - 6.2. Comply with program standards, service priorities, and responsibilities consistent with statewide standards as they are released or identified by AAA or state licensing body.
  - 6.3. Prevent disclosure of any information about the participant without written consent of the individual.
7. Service Changes: Contractor will ensure that proposed changes affecting the provision of services such as changes in paid program staff, program structure/activities, hours/day(s) of service, site additions, site renovations, and temporary or permanent site closures must be communicated in writing via email to AAA Program Staff within ten (10) days of proposed date of the change.

Funds must supplement and not supplant existing services to participants and will build upon existing state-funded programs to the extent possible.
8. Grievance Policy: The Contractor will ensure the grievance policy is posted, in English and Spanish, in a public space and in compliance with 22 CCR, §7400 *Grievance Process*. In addition, the policy must state the time the agency will take to complete the complaint resolution, indicate that all complaints are kept confidential, and provide the procedure for them to appeal a dissatisfied outcome resolution to the Sonoma County Area Agency on Aging.
9. Complaint Resolution: The AAA maintains a Complaint Resolution Policy and Process for contracted or applicant services providers who are dissatisfied with an action taken by the AAA. Complaints must be submitted in writing within 30 days of the action, and the AAA will issue a written decision within 30 days of receipt. Providers will be informed of their right, if applicable, to request a State hearing within 15 days of the AAA's written decision. In accordance with 22 CCR 7250 and 7704.

11. Mandated Reporting: Contractor will report suspected abuse, neglect, or exploitation of program participants to Sonoma County Adult Protective Services and/or law enforcement. Training will be provided by Sonoma County Adult Protective Services. Staff are encouraged to attend the Mandated Reporting Training annually and are required to attend, at a minimum, every two (2) years.
12. Service Provider Meetings Requirement: The AAA periodically hosts service provider meetings to share new information with service providers (contractors). Contractor shall designate a representative to attend each Service Provider meeting. It is recommended that Contractor also attend the monthly full AAA Aging & Disability Commission meetings. Meetings are held the 3rd Wednesday/month at 1:00 pm. <https://sonomacounty.ca.gov/health-and-human-services/human-services/older-adults-people-with-disabilities/boards-government-vendors/area-agency-on-aging-advisory-council>

2.3.4. If Program Income is earned in excess of the amount reported in the Area Plan Budget, the excess amount may be deferred for use in the first quarter of the following contract period, which is the last quarter of the federal fiscal year.

2.3.5. If Program Income is deferred for use it must be used by the last day of the federal fiscal year and reported when used.

2.3.6. Program Income may not be used to meet the matching requirements of this Agreement.

2.3.7. Program Income must be used to expand baseline services.

2.4. No Supplantation. Contractor must not claim reimbursement under this Agreement for expenditures reimbursed or financed by any other source. No supplantation of program financing by Contractor is contemplated or allowed.

2.5. Indirect Cost Rate. Contractor is responsible for complying with the [Human Services Department Indirect Cost Rate Policy](#).

2.6. Financial Records. Contractor understands and accepts its obligation to establish and maintain financial records of all program expenditures.

2.6.1. Contractor shall maintain a financial management system which ensures control over the use of funds received by Contractor in accordance with generally-accepted accounting principles. Contractor must comply with the provisions for cost allocations contained in Federal Office of Management and Budget 2 CFR Part 200, Subpart E. The inability of Contractor to demonstrate compliance will cause a corresponding reduction in reimbursement.

2.6.1.1. Charges to awards for salaries and wages, whether treated as direct costs or indirect costs, must be based on documented payrolls approved by a responsible official(s) of the organization. The distribution of salaries and wages to various program funding sources must be supported by personnel activity reports (such as timesheets or time studies) except when a substitute system has been approved in writing by the cognizant agency. Such activity reports must account for the total activity for which employees are compensated and must be maintained for all staff members (professionals and nonprofessionals) whose compensation is charged, in whole or in part, to this Agreement.

2.6.2. If it should be determined during the term of this Agreement by the Human Services Department, County Administrator, Auditor-Controller, and/or Board of Supervisors that funds are not being utilized by Contractor in accordance with this Agreement, an audit may be ordered of Contractor's books, financial records, and program records. The cost of this audit shall be deducted from the total paid to Contractor through this Agreement.

2.6.3. In the event that Contractor terminates its business activities, all records related to this Agreement shall be promptly delivered to County by Contractor. Contractor shall be liable for any and all attorneys' fees incurred by County in recovering records pursuant to this section.

### 3. Procurement.

Contractor must maintain documented procurement policies and procedures consistent with federal, state, and local requirements and any procurement must comply with those policies and procedures. For purposes of this Agreement, procurement for goods or services must comply with the [Sonoma County Procurement Thresholds for Goods and Services](#).

If Contractor wishes to purchase equipment exceeding Five Thousand Dollars (\$5,000) which is not specifically identified and approved under this Agreement, Contractor must

request in writing permission from County to purchase. If County approves the purchase, Contractor shall provide County with proof of purchase within ten (10) days.

3.1. Contractor shall record the following information when equipment is acquired:

- A. Date acquired;
- B. Equipment Description;
- C. Equipment identification number (serial number);
- D. Cost or other basis of valuation;
- E. Fund source; and
- F. Rate of depreciation (or depreciation schedule), if applicable.

3.2. Any equipment purchased by Contractor for use under this Agreement shall become the property of the State of California immediately upon purchase and title to any such equipment shall remain with County. Contractor shall maintain and exercise adequate controls over that equipment and will be responsible for any loss due to its negligence. Contractor shall exercise the same degree of control and responsibility over equipment out-stationed to it by County. Both purchased and out-stationed equipment shall be covered under Contractor's insurance policies. In addition, Contractor shall notify County and the local police agency within twenty-four (24) hours in the event that any such equipment is lost or stolen.

3.3. All computer hardware and software purchased under this Agreement for use of Contractor shall be considered property of the State of California. Contractor shall ensure that all such hardware and software is maintained in such a way as to preserve its value. Contractor shall make no additions, alterations, or adjustments to any hardware or software purchased under this Agreement.

4. Funding Contingency. Notwithstanding anything contained in the Agreement to the contrary, Contractor acknowledges that any payments to be made to it as provided herein shall be expressly contingent upon the receipt of sufficient funds by County. This contingency is for the express benefit of County and may be waived only by giving express written and executed notice to Contractor.

4.1. Modification of Funding. County reserves the right to modify levels of funding for programs and renegotiate Agreement budgets, if needed, due to increases or decreases in funding. County also reserves the right to request changes in program design in order to accommodate changes made by the funder. The County Human Services Director has authority to request and approve program design changes.

5. Budget Adjustments.

5.1. Request. Request for transfer of funds between specific line items as defined by County shall be submitted on a "Line Item Adjustment Request" as provided by the County. The Contractor must provide justification and supporting documentation for the requested revision.

5.2. Approval. The County is authorized to approve and execute a "Line Item Adjustment Request", which details the transfer of funds between Budget line items, and to approve such changes without an Amendment to this Agreement so long as they do not result in an increase in County's maximum financial obligation.

5.3. Equipment. Requests to purchase equipment in excess of Five Thousand Dollars (\$5,000) and not included in original budget shall require County approval prior to purchase.

6. Closeout. Within fifteen (15) calendar days after the termination of this Agreement, Contractor shall submit to County a final cost report showing the actual allowable Agreement costs. If the cost report shows that the actual allowable costs for the term of the Agreement exceeded payments, the County will remit the difference to the Contractor provided that the remittance will not cause the total payments made hereunder to exceed the funding amount set forth in Article 2 of this Agreement. If the cost report shows that the payments exceeded the actual allowable costs for the term of the Agreement, Contractor shall enclose with the cost report funds equal to the difference between payments received and costs incurred. As part of the Closeout, Contractor must submit invoices for any purchased equipment and a complete list of all AAA-owned equipment in the possession of Contractor.

7. Audits. County will conduct a fiscal monitoring annually. In addition, Contractors, who receive multiple Federal Awards which taken together total over One Million Dollars (\$1,000,000), are required to have a single agency audit in accordance with the Federal Office of Management and Budget, 2 CFR Part 200, Subpart F. A copy of this audit must be forwarded to the County/Area Agency on Aging (AAA) by the auditor as soon as it is complete.

7.1. As applicable, the Contractor shall ensure that both State and Federally-Funded expenditures are displayed separately in the single audit report's "Schedule of Expenditures of Federal Awards (SEFA)". The SEFA should include the Assistance Listing Number (ALN) and Pass-through Identifying Contract Number.

8. Repayment.

8.1. Contractor is responsible for the repayment of all audit exceptions and disallowances taken by County, State, or Federal agencies related to activities conducted by Contractor under this Agreement.

8.2. Where unallowable costs have been claimed and reimbursed, they will be refunded to the program that reimbursed the unallowable cost using a cash refund or offset to a subsequent claim.

9. Local Non-Federal Match. Most programs require that Contractor provide local, non-federal funds as program match. In most cases the match can be either cash or in-kind. The amount of the match requirement depends upon the specific program. The minimum required match by program area is as follows:

- Titles IIIB and IIIC require minimum match of 10.53%.
- Title IIIE requires minimum match of 25%.

10. Funding.

10.1. All or part of this Agreement may be paid with Federal awards.

10.2. Federal awards are not for and no funds shall be used for experimental, research, or development (R&D) purposes, within the meaning of 37 CFR Part 401.

10.3. Federally awarded funds must be used in accordance with Federal statutes and regulations. As a pass-through entity, the County is required to provide certain information regarding Federal award(s) to Contractor as a Sub-recipient. County

will provide required information regarding the Federal Award upon receipt of funding documents from the funding source.

The County of Sonoma reserves the right, but has no obligation, to review any of the required insurance policies and endorsements. The County's failure to demand evidence of full compliance with these requirements, or failure to identify any deficiency in the provided insurance, shall not relieve the Contractor from, nor be construed as a waiver of, the obligation to maintain all required insurance at all times during the performance of this Agreement.
