

ORDINANCE NO. ()

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SONOMA, STATE OF CALIFORNIA, AMENDING ARTICLE III OF CHAPTER 18 OF THE SONOMA COUNTY CODE TO REVISE, RESTATE, AND CODIFY THE PROVISIONS OF COUNTY ORDINANCE 2300 RELATED TO PARKING RESTRICTIONS ALONG COUNTY ROADS AND RIGHTS-OF-WAYS AND ADDING A NEW SECTION TO ARTICLE III, SECTION 18-3 ESTABLISHING LIMITATIONS ON PARKING OF TRAILERS AND OVERSIZED VEHICLES ON COUNTY ROADS AND RIGHTS-OF-WAYS

The Board of Supervisors of the County of Sonoma, State of California, ordains as follows:

Section I. Findings.

WHEREAS, California Vehicle Code Section 22507 and 22507.5 and the Sonoma County Code authorizes the Board of Supervisors to establish parking regulations on roads and highways under its jurisdiction; and

WHEREAS, the County's parking regulations are currently split between two separate ordinances—Ordinance 2300 (an uncodified ordinance, covering County roads) and Section 18-1 of the Sonoma County Code (covering County-owned or controlled properties), which has created public confusion regarding the application and enforcement of parking restrictions as applied to County roads; and

WHEREAS, adopting a new ordinance as part of Chapter 18 of the Sonoma County Code that incorporates all of the existing parking restrictions and designated parking zones from Ordinance 2300 and codifies them as new individual Code Sections, and that provides a mechanism for adopting additional parking zones from time to time by Resolution adopted by the Board of Supervisors, will improve clarity, transparency, and enforceability of the County's parking restrictions on County roads; and

WHEREAS, the County's existing parking restrictions limit the parking or standing of commercial vehicles on County roads; however, those regulations have not been updated since 1992 despite changes in modern day parking issues; and

WHEREAS, the County has received an increasing number of complaints related to the prolonged parking of oversized vehicles on County roads and road rights-of-ways throughout the unincorporated areas of the County, generally related to the parking of trailers and oversized commercial and recreational vehicles on County roads for prolonged periods of time, which severely limits parking for those that live at or visit residences and businesses in the area; and

WHEREAS, the County has also received an increasing number of complaints in commercial and industrial areas where large vehicles tend to accumulate on County roads causing far greater impacts than normal passenger vehicles; and

WHEREAS, many County roads are narrow, few have sidewalks or wide shoulders, and most unincorporated areas of the County have limited available parking, which amplifies the impacts from prolonged parking of larger vehicles on County roads, due to the fact that multiple spots are taken by oversized vehicles and trailers which severely impacts the ability for regular sized vehicles to access parking near properties individuals live, visit, or patron; and

WHEREAS, there are significant health and safety issues related to the parking of oversized vehicles on County roads when parked in areas that block sight lines, block the safe passage of pedestrian walkways, and block bike lanes due to the size of the vehicles, all of which can be mitigated by limiting the parking of oversized vehicles and trailers on County roads.
