

COUNTY OF SONOMA

575 ADMINISTRATION
DRIVE, ROOM 102A
SANTA ROSA, CA 95403

SUMMARY REPORT

Agenda Date: 5/12/2026

To: Board of Supervisors

Department or Agency Name(s): Sonoma County Public Infrastructure

Staff Name and Phone Number: Johannes J. Hoevertsz, 707-565-2550

Vote Requirement: Majority

Supervisorial District(s): Countywide

Title:

State Highway Account Match Program Agreement

Recommended Action:

Adopt a Resolution authorizing the Director of Sonoma County Public Infrastructure to execute State Match Program Agreement X26-5920(191) with the California Department of Transportation for advancement of up to \$100,000 in State Highway Account funds pursuant to Section 182.9 of the Streets and Highways Code to be used as match for federally funded projects for the 2025-26 fiscal year.

Executive Summary:

The Department of Public Infrastructure (SPI) is requesting the Board adopt a Resolution that authorizes the Director of Sonoma County Public Infrastructure to execute State Match Program Agreement X26-5920(191) with the California Department of Transportation, which will provide up to \$100,000 in matching funds to be used for federally funded projects in FY 2025-26. The State Match Program assists the County with funding the local match requirement that is a required component of many federal grants.

Discussion:

Section 182.9 of the Streets and Highways Code governs the allocations of funds from the State Highway Account for State Match. The California Transportation Commission must allocate to each county an amount equal to 50 percent of the Federal regional surface transportation funds allocated to the county pursuant to Section 182.6(d)(2) with a maximum limit of \$100,000 per county per fiscal year. State match funds are used to match Federal funds allocated pursuant to section 182.6(d)(2) of the Streets and Highways Code.

The State has presented the County with Agreement No. X26-5920(191) (Attachment A) wherein the County agrees to use state funds for transportation purposes, agrees to establish a special account within the road fund, and agrees to allow the State to audit the funds. Under this agreement, the State will advance to the County a one-year apportionment of funds up to \$100,000. The Department uses these funds as local match for federally funded projects (primarily bridge), where other sources of local match may not be eligible. In FY 2024-25, state matching funds were used as part of a local match for the Geysers Road Bridge over Sulphur Creek project.

In 2025-26, appropriations were included within the Capital Improvements Adopted Budget and will be used

Agenda Date: 5/12/2026

as a local match to federal funding for various bridge projects. Public Infrastructure requests the Board adopt a Resolution that authorizes the Director of Sonoma County Public Infrastructure to execute State Match Program Agreement No. X26-5920(191) with the California Department of Transportation.

Strategic Plan:

This item directly supports the County's Five-year Strategic Plan and is aligned with the following pillar, goal, and objective.

Pillar: Resilient Infrastructure

Goal: Goal 3: Continue to invest in critical road, bridge, bicycle, and pedestrian infrastructure.

Objective: Objective 4: Identify and retrofit bridges in County that are at high risk for damage during earthquakes.

Racial Equity:

Was this item identified as an opportunity to apply the Racial Equity Toolkit?

No
