PHA Goal 1: Increase Housing Choices for Assisted Tenants

The Housing Authority has continued its successful outreach and engagement efforts with property owners and managers, resulting in the addition of 98 new owners over the past 12 months.

Housing options for rent-assisted tenants have also become easier to identify through the Housing Authority's online housing search tool. During the previous 12 months, 419 new units were added to the database, increasing the total number of units to 2,053. These units can be readily activated by any of the 401 enrolled property owners as they become available. The platform further supports system coordination by connecting 192 registered supportive services case managers who are actively assisting rent-assisted households in locating housing.

An additional strategy for increasing housing choice is the Housing Authority's Homeownership Program. During Calendar Year 2025, 39 homeownership interest forms were submitted by rent-assisted households. Of those, 23 households completed the required pre-qualification steps to assess eligibility for homeownership. Two households successfully completed home purchases, bringing the total number of assisted homeownership households to four. An additional three households have had purchase offers accepted and are currently completing the final steps toward homeownership.

PHA Goal 2: Expand the Supply of Assisted Housing

The Housing Authority continues to pursue additional rental assistance vouchers whenever opportunities arise. During Calendar Year 2025, the Housing Authority received 18 Foster Youth Initiative vouchers and 10 Veterans Affairs Supportive Housing (VASH) vouchers. The Housing Authority also applied for an additional allocation of VASH vouchers and anticipates receiving five new vouchers in Spring 2026.

Project-Based Vouchers (PBVs) remain a key tool for expanding the supply of assisted housing. By applying PBVs to housing developments, the Housing Authority increases the availability of affordable units for low-income households and individuals and families experiencing homelessness. In Calendar Year 2025, 41 new PBV units were placed into service. Over the upcoming five-year period, an additional 199 newly constructed PBV units are anticipated to come online, including:

- 21 units at George's Hideaway, Guerneville (anticipated Spring 2026)
- 8 units at Heritage Park, Windsor (anticipated late Summer 2026)

ATTACHMENT 1

- 18 units at Summer Oaks, Sonoma (anticipated mid-2027)
- 33 units at Meridian at Corona, Petaluma (anticipated late 2027)
- 70 units at Copeland Creek Apartments, Rohnert Park (anticipated early 2027)
- 5 units at Redwood Glen Apartments, Windsor (anticipated late 2027)
- 14 units at Dry Creek Commons, Healdsburg (anticipated late 2027)
- 30 units at Caritas Homes Phase 2, Santa Rosa (anticipated early 2028)

The Housing Authority also works to expand housing supply by attracting new landlords to participate in rental assistance programs. During Calendar Year 2025, 98 new owners and property managers began working with the Housing Authority.

Additionally, the Housing Authority administered a grant-funded security deposit assistance program that provided financial support to 180 low-income households. This program reduced barriers to housing access by helping households overcome upfront move-in costs, accelerated lease-up timelines, supported housing stability, and strengthened partnerships with property owners through increased successful placements of rent-assisted households.

The Housing Navigation Program continued to demonstrate strong performance in assisting some of the community's most vulnerable residents. During Calendar Year 2025, the program assisted 21 households (47 individuals) experiencing homelessness in achieving permanent housing.

Due to limited voucher issuance during the year, the Housing Navigation Program strategically shifted its focus to providing intensive housing navigation services to households residing at homeless-dedicated PBV sites. This approach supported households in transitioning from supportive housing when intensive services were no longer needed, ensuring that limited supportive housing resources remain available for households with the highest service needs while promoting long-term housing stability and independence.

In addition, the Housing Navigation Program offered 18 housing navigation workshops to equip housing seekers and supportive service staff with the tools, knowledge, and resources needed to successfully secure housing. These workshops strengthened system-wide capacity, improved housing readiness, and enhanced collaboration among service providers and property owners.

PHA Goal 3: Promote Self-Sufficiency Among Assisted Tenants

To promote self-sufficiency, the Housing Authority operates a Family Self-Sufficiency (FSS) program. The FSS program is voluntary and is designed to help rent-assisted households achieve financial independence through goal setting, individualized support, job training, and savings accumulation through an escrow account that is paid to participants upon successful completion of their five-year plan.

Currently, 51 households are actively participating in the FSS program. Three participants are in the final stages of achieving homeownership. An additional 323 families remain on the FSS waitlist, and six households have successfully graduated from the program since July 1, 2025.

To staff the FSS program, the Housing Authority applies annually for HUD grant funding to support one full-time position. As of the date of this update, notification of award has not yet been received; however, the Housing Authority anticipates receiving full funding for Calendar Year 2026.

PHA Goal 4: Expand Rental Assistance to House the Unhoused in Sonoma County

The Housing Authority continues its strong partnerships with supportive service agencies through Continuum of Care-funded grants, specialized voucher programs, and homeless preferences. These partnerships serve some of the hardest-to-house populations, including individuals with disabilities, homeless families, seniors, survivors of domestic violence, former foster youth, and families working toward reunification. On average, the Housing Authority assists approximately 3,300 households each month through its rental assistance programs.

During Calendar Year 2025, 41 project-based permanent supportive housing (PSH) units were placed into service, including 29 units at Elderberry Commons in Sebastopol and 11 units at Petaluma River Place in Petaluma. An additional 70 PSH units are currently under construction throughout Sonoma County, with developments underway at George's Hideaway (Guerneville), Dry Creek Commons (Healdsburg), Meridian at Corona (Petaluma), Heritage Park (Windsor), and Summer Oaks (Sonoma). Another 105 PSH units are in the pre-construction phase.

In addition to project-based programs, the Housing Authority continues to provide tenant-based rental assistance to individuals and families experiencing homelessness. During Calendar Year 2025, rental assistance was provided to 135 households (214 individuals) who were homeless at admission. The Housing Authority is also actively working to identify

an ongoing funding source to transition Emergency Housing Voucher households prior to the program's scheduled end on December 31, 2026.

PHA Goal 5: Maintain a High Performer SEMAP Score

For the fiscal year ending June 30, 2025, the Housing Authority received a 100 percent score under the Section Eight Management Assessment Program (SEMAP) and was designated a "High Performer" for the 19th consecutive year.

2. The Plan contains a signed certification by the appropriate State or local official (form HUD-50077-SL) that the Plan is consistent with the applicable Consolidated Plan, which includes any applicable fair housing goals or strategies, for the PHA's jurisdiction and a description of the way the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA ensured all notices and meetings provided effective communication with persons with disabilities and further provided meaningful language access for persons with Limited English Proficiency (LEP).
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. 7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living

patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151).  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
