

SONOMA COUNTY SHERIFF'S OFFICE

EDDIE ENGRAM
Sheriff-Coroner

March 19, 2026

To: County Executive Christina Rivera

I am writing regarding the access the Sheriff's Office provides to the United States Department of Homeland Security, Immigration and Customs Enforcement (ICE), as outlined in Government Code Section 7283.1(d).

The Sheriff's Office participation and cooperation with ICE is focused on protecting public safety, assisting undocumented victims in obtaining U-Visas, and providing incarcerated person release dates to the public as a matter of policy. Therefore, the Sheriff's Office provides certain incarcerated person release dates to ICE when permissible under Senate Bill 54 (California Values Act).

In compliance with Government Code Section 7283.1(d), the Sheriff's Office has compiled the attached ICE participation data for calendar year 2025 for your review and for presentation at the public forum. Although not required, we have also enclosed the 2025 Convictions Report to provide additional detail regarding qualifying conditions. For further context, recent local historical conviction information has also been included.

Please feel free to contact my office if you have any questions.

Sincerely,
