December 14	Board of Supervisors – final adoption of the ordinance and supervisorial district map
December 15	Statutory deadline to adopt map

# Latest Map

- Posted on November 30 on [sonomacounty.ca.gov/redistricting](https://sonomacounty.ca.gov/redistricting) under “Draft Maps” / “Map for review on Dec 7” (map name: “Proposed Revised Sonoma County Supervisorial District Boundaries,” also known as “RP Split 3”)
- Also viewable in [Interactive Review Map](#)

- Minimal change to boundaries is desirable
- The coast should remain unified within one district
- Rohnert Park should be unified within one district. It is preferable but not necessary for Rohnert Park and Cotati to be aligned within the same district.
- The Springs area (Eldridge-Fetters hot Springs Agua Caliente-Boyes Hot Springs) to remain unified
- Roseland and Moorland areas to be included in the district representing downtown Santa Rosa (currently D3)
- Coffey Park-Larkfield-Mark West-Wikiup should be unified and in the same district
- Russian River communities (Forestville-Guerneville-Monte Rio) should be unified within the same district
- Ideally seek to improve Sonoma Valley's voice and representation
- Align the area West of Hwy 101 west of Cotati with Petaluma as they share the same identity and legacy history.
