File No.: River Road over Gill Creek Bridge Replacement Project

Staff: Robert Aguero and Chet Jamgochian

Env. Doc: Mitigated Negative Declaration

Proposal: The Department of Transportation Public Works proposes to replace the existing bridge on River Road over Gill Creek, east of Geyserville CA. The proposed project consists of placing a temporary bridge to the west of the existing bridge to maintain traffic during the construction phase, removing the existing deficient two-lane bridge and replacing it with a new two-lane bridge. The project will also remove a weir in the Gill Creek streambed that has blocked fish passage.

Recommended Action: Staff recommends the Environmental Review Committee determines that the draft Mitigated Negative Declaration (MND) as the appropriate level of CEQA review for the proposed project, Replacement of the River Road bridge over Gill Creek, and to direct the Lead Department to prepare a Negative Declaration and circulate the Initial Study and Negative Declaration for public comment

Location: River Road over Gill Creek

APN: Public Right of Way
117-220-015

District: Four

Action: **Gary Helfrich** motioned to approve the MND as appropriate CEQA review for the proposed project and to direct the Lead Department to prepare a Negative Declaration. Seconded by **John Bishop** and approved with a 6-0-0 vote.
