Why are you interested in serving on a board or commission?

I have loved history since a child, and earned a BA of History from UC Davis as part of a goal to be a High School History teacher. As I gained experience in the education field I realized my dream had changed. Through life's winding path I had been working as a Land Surveyor and realized that it was a profession that blended local history, archival research, fieldwork, problem solving, and maps. I have loved and surveying ever since and gained licensure in 2014. Almost every day I work, I am using deeds and historical maps, and local history to locate boundaries. Being able to help protect and preserve our local records would be an honor. Michael (Mike) Mueller, PLS 9076 P.S. My CV is a little out of date. Since 2018 I have become the Interim County Surveyor for Lake County on a part time basis.
