Expanding the County Archives from a limited access warehouse to a public access historical information resource facility with a knowledgeable staff would be a valuable addition to the County's public education resources. Would like to help guide this transition.

Why are you interested in serving on a board or commission?

With 35 years of aviation management experience, I am interested in serving on the Sonoma County Aviation Commission because it's only seems fitting to give back to the community we call our "forever retirement home". Fortunately to have been part of some amazing organizations, the notion of giving back was a central component to our retirement strategies. My interest in the Sonoma County Airport Commission comes from a shared commitment both my wife and I have to give back for the greater good. We have volunteered as Court Appointed Special Advocates and SMART (Start Making A Reader Today) in Salem Oregon; and Kitchen Angels and Habitat for Humanity in Santa Fe, NM.

Why are you interested in serving on a board or commission?

I have been involved in business ownership and have worked at the Sonoma County Airport since I was in high school - over 40 years. I have seen lots of changes. I have a son who lives near the airport for over 30 years. The airport is my home away from home. I would like to be more involved with the community on airport issues, progress, etc..

Question applies to GOLDEN GATE BRIDGE HIGHWAY AND TRANSPORTATION DISTRICT BOARD

Please describe the experience that you believe would make you a good appointee for the position.

As a firefighter in Marin I often respond to calls on the 101 corridor and as a union representative I have coworkers who work extensively on the Golden Gate Bridge.

Question applies to GOLDEN GATE BRIDGE HIGHWAY AND TRANSPORTATION DISTRICT BOARD

Tell us how you would address current priorities or challenges of the board/commission for which you are seeking an appointment.

Safety is a high priority, successful prevention in a cost effective and practical manner, safety for the bridge workers, and assessment of risk for future terror attacks.

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I want to use my expertise and experience in emergency response to help the people of Sonoma. We have had some of the most devastating events happen over the past few years, and we have a long way to go to harden ourselves for the next big event. Risk management is my passion, and I want to offer ideas and leadership to make this a safer county. Thank you.
