**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California,  
Authorizing The Director Of Regional Parks To Negotiate A Construction Contract Subsequent  
To An Open Bid Process Where No Bids Were Received**

**Whereas**, the Regional Parks Department conducted a seventeen (17) day public bid process for said construction project and on the scheduled bid opening date of June 23, 2022 zero bids were received.

**Whereas**, section 22038(c) of the public contracting code allows a public agency to either perform the work by its own employees or negotiate a contract directly with a contractor for the project rather than re-bidding the project upon a 4/5ths vote of the Board of Supervisors.

**Now, Therefore, Be It Resolved** that the Director of Regional Parks is hereby authorized to directly negotiate a contract for the construction of the Taylor Mountain Phase 2 Trails project.
