NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

A G R E E M E N T

1. Scope of Services

1.1. Contractor's Specified Services

Contractor shall perform the services described in Exhibit A (Scope of Work), attached hereto and incorporated herein by this reference (hereinafter "Exhibit A"), within the times or by the dates provided for in Exhibit A and pursuant to Article 7 (Prosecution of Work). In the event of a conflict between the body of this Agreement and Exhibit A, the provisions in the body of this Agreement shall control.

1.2. Cooperation with County

Contractor shall cooperate with County and County staff in the performance of all work hereunder.

1.3. Performance Standard

Contractor shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Contractor's profession. County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state, and local laws and regulations, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release. If County determines that any of Contractor's work is not in accordance with such

level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Contractor to meet with County to review the quality of the work and resolve matters of concern; (b) require Contractor to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4 (Termination); or (d) pursue any and all other remedies at law or in equity.

1.4. Assigned Personnel

- a. Contractor shall assign only competent personnel to perform work hereunder. In the event that at any time County, in its sole discretion, desires the removal of any person or persons assigned by Contractor to perform work hereunder, Contractor shall remove such person or persons immediately upon receiving written notice from County.
- b. Any and all persons identified in this Agreement or any exhibit hereto as the project manager, project team, or other professional performing work hereunder are deemed by County to be key personnel whose services were a material inducement to County to enter into this Agreement, and without whose services County would not have entered into this Agreement. Contractor shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of County.
- c. In the event that any of Contractor's personnel assigned to perform services under this Agreement become unavailable due to resignation, sickness, or other factors outside of Contractor's control, Contractor shall be responsible for timely provision of adequately qualified replacements.

1.5. Contract Exhibits

This Agreement includes the following exhibits, which are hereby incorporated by reference as though fully set forth herein. In the event of a conflict between the terms in the body of this Agreement and any of the following exhibits, the terms in the body of this Agreement shall control.

2. Payment

For all services and incidental costs required hereunder, Contractor shall be paid in accordance with the following terms:

2.1. Payment for Services

In full consideration of Contractor's satisfactory performance in providing services detailed in Exhibit A, Contractor shall be paid on an hourly basis at a rate of \$145 per hour. There shall be no payment for expenses incurred in performing services. Contractor shall submit its bills in arrears on a monthly basis in a form approved by County's Auditor and the Head of County department receiving the services. The bills shall show or include: (i) the task(s) performed, (ii) the time in quarter hours devoted to the task(s), and (iii) the hourly rate(s) of the person(s)

performing the task(s). Expenses not expressly authorized by this Agreement shall not be reimbursed.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of County business after presentation of an invoice in a form approved by County for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by County.

2.2. Maximum Payment Obligation

In no event shall County be obligated to pay Contractor more than the total sum of \$452,400, including \$150,800 for FY 22-23, \$150,800 for FY 23-24, and \$150,800 for FY 24-25, under the terms and conditions of this Agreement.

2.3. California Franchise Tax Withhold

Pursuant to California Revenue and Taxation Code (R&TC) Section 18662, County shall withhold seven percent of the income paid to Contractor for services performed within the State of California under this Agreement for payment and reporting to the California Franchise Tax Board if Contractor does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or partnership with a permanent place of business in California, (3) a corporation/LLC or partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Contractor does not qualify, County requires that a completed and signed California Form 587 be provided by Contractor in order for payments to be made. If Contractor is qualified, then County requires a completed California Form 590. California Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, Contractor agrees to promptly notify County of any changes in the facts. Forms should be sent to County pursuant to Article 12 (Method and Place of Giving Notice, Submitting Bills, and Making Payments). To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

2.4. Overpayment

If County overpays Contractor for any reason, Contractor agrees to return the amount of such overpayment to County, or at County's option, permit County to offset the amount of such overpayment against future payments owed to Contractor under this Agreement or any other agreement.

2.5. Federal Funding

This Section 2.5 is applicable if all or part of this Agreement will be paid with federal awards.

2.5.1. Required Information.

As a pass-through entity, County is required to provide certain information regarding federal award(s) to Contractor as a subrecipient. In signing this Agreement, Contractor acknowledges receipt of the following information regarding federal award(s) that will be used to pay this Agreement:

CFDA Number:
CFDA Title:

2.5.2. Title 2 Code of Federal Regulations Part 200.

As a subrecipient of federal awards, Contractor is subject to the provisions of Title 2 Code of Federal Regulations Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (hereinafter “2 CFR Part 200”). In signing this Agreement, Contractor acknowledges that it understands and will comply with the provisions of 2 CFR Part 200. One provision of 2 CFR Part 200 requires a subrecipient that expends \$750,000 in federal awards during its fiscal year to have an audit performed in accordance with 2 CFR Part 200. If such an audit is required, Contractor agrees to provide County with a copy of the audit report within 9 months of Contractor’s fiscal year-end. Questions regarding 2 CFR Part 200 can be directed to County’s Auditor-Controller-Treasurer-Tax Collector’s Office – General Accounting Division.

2.5.3. Audits

Contractor’s agreement(s) with audit firms shall have a clause to permit access by County, state agencies, and/or federal agencies to the working papers of the external independent auditor.

2.5.5. Retention of Audit Report

Contractor agrees that audit reports and work papers shall be retained for a minimum of 10 years from the date of the audit report, unless the auditor is notified in writing by County, a state agency, and/or a federal agency to extend the retention period.

2.5.6. Repayment

Contractor is responsible for the repayment of all audit exceptions and disallowances taken by County, state agencies, and/or federal agencies related to services provided by Contractor under this Agreement. Unallowable costs that have been claimed and reimbursed will be refunded to the program that reimbursed the unallowable costs either by cash refund or by offset to subsequent claims.

3. Term of Agreement

The term of this Agreement shall be from August 1, 2022 to June 30, 2025 unless terminated earlier in accordance with the provisions of Article 4 (Termination).

4. Termination

4.1. Termination Without Cause

Notwithstanding any other provision of this Agreement, at any time and without cause, either party shall have the right, in its sole discretion, to terminate this Agreement by giving 15 business days' advance written notice to the other party.

4.2. Termination for Cause

Notwithstanding any other provision of this Agreement, should Contractor fail to perform any of its obligations hereunder within the time and in the manner herein provided or otherwise violate any of the terms of this Agreement, County may immediately terminate this Agreement by giving Contractor written notice of such termination, stating the reason for termination.

4.3. Delivery of Work Product and Final Payment Upon Termination

In the event of termination, Contractor, within 14 days following the date of termination, shall deliver to County all materials and work product subject to Section 9.11 (Ownership and Disclosure of Work Product) and all reports, original drawings, graphics, plans, studies, and other data or documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Agreement, and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4. Payment Upon Termination

Upon termination of this Agreement by County, Contractor shall be entitled to receive, as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2 (Termination for Cause), County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.5. Authority to Terminate

The Board of Supervisors has the authority to terminate this Agreement on behalf of County. In addition, the Purchasing Agent or Department of Health Services' Head, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of County.

4.6. Obligations After Termination

The following shall remain in full force and effect after termination of this Agreement:

(1) Section 2.5 (Federal Funding), (2) Article 5 (Indemnification), (3) Section 9.4 (Records

Maintenance), (4) Section 9.4.1 (Right to Audit, Inspect, and Copy Records), (5) Section 9.13 (Confidentiality), and (6) Section 13.5 (Applicable Law and Forum).

4.7. Change in Funding

Contractor understands and agrees that County shall have the right to terminate this Agreement immediately upon written notice to Contractor in the event that (1) any state and/or federal agency and/or other funder(s) reduces, withholds, or terminates funding which County anticipated using to pay Contractor for services provided under this Agreement, or (2) County has exhausted all funds legally available for payments due under this Agreement.

5. Indemnification

Contractor agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees from and against any actions, claims, damages, liabilities, disabilities, or expenses that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor's obligations under this Article apply whether or not there is concurrent or contributory negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Contractor's expense, subject to Contractor's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance

With respect to performance of work under this Agreement, Contractor shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described in Exhibit B (Insurance Requirements), which is attached hereto and incorporated herein by this reference (hereinafter "Exhibit B").

7. Prosecution of Work

The execution of this Agreement shall constitute Contractor's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God, or by strike, lockout, or similar labor disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Changes which do not exceed the delegated signature authority of the Department may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors or Purchasing Agent must authorize all other extra or changed work which exceeds the delegated signature authority of the

Department Head. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor

9.1. Standard of Care

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

9.2. Status of Contractor

The parties intend that Contractor, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Contractor is not to be considered an agent or employee of County and is not entitled to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits that County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4 (Termination), Contractor expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3. Taxes

Contractor agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including but not limited to state and federal income and FICA taxes. Contractor agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Contractor's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Contractor agrees to furnish County with proof of payment of taxes on these earnings.

9.4. Records Maintenance

Contractor shall keep and maintain full and complete documentation and accounting records concerning all services provided under this Agreement. Records shall include all medical records, accounting records, and administrative records related to services provided hereunder. Contractor agrees to preserve and maintain such records for a period of at least 10 years following the close of County and state fiscal year in which the services were provided. If an audit has been started, records must be retained until completion and final resolution of any and all issues that might arise. Final settlement shall be made at the end of the audit and appeal

process. All accounting records shall be maintained so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed by Contractor. Accounting records include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs.

9.4.1. Right to Audit, Inspect, and Copy Records

Contractor agrees to permit County and any authorized state or federal agency to audit, inspect, and copy all records, notes, and writings of any kind in connection with the services provided by Contractor under this Agreement, to the extent permitted by law, for the purpose of monitoring the quality and quantity of services, monitoring the accessibility and appropriateness of services, and ensuring fiscal accountability. DHCS, the California Department of General Services, the Bureau of State Audits, or their designated representatives including the Comptroller General of the United States, are authorized agencies with the right to inspect and copy Contractor's records. All such audits, inspections, and copying shall occur during normal business hours. Upon request, Contractor shall supply copies of any and all such records to County. Failure to provide the above-noted documents requested by County within the requested time frame indicated may result in County withholding payments due under this Agreement. In those situations required by applicable law(s), Contractor agrees to obtain necessary releases to permit County or governmental or accrediting agencies to access patient medical records.

Contractor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books, and records related to the Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Upon request by an authorized representative of County, state, or federal agency, Contractor must supply or make available applicable devices, hardware, and/or software necessary to view, copy, and/or print said records.

9.5. Conflict of Interest

Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Agreement, no person having any such interests shall be employed. In addition, if requested to do so by County, Contractor shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with County disclosing Contractor's or such other person's financial interests.

9.6. Statutory Compliance/Living Wage Ordinance

Contractor agrees to comply with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended, or modified during the term of this Agreement. Without limiting the generality of the foregoing, Contractor expressly acknowledges and agrees that this Agreement may be subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.7. Confidentiality

Contractor agrees to maintain the confidentiality of all patient medical records and client information in accordance with all applicable state and federal laws and regulations, including the requirement to implement reasonable and appropriate administrative, physical and technical safeguards to protect all confidential information. This Section 9.7 shall survive termination of this Agreement.

9.8. Nondiscrimination

Without limiting any other provision hereunder, Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in the admission of beneficiaries, assignments of accommodations, treatment, evaluation, employment of personnel, or in any other respect because of race, color, ancestry, national origin, religious creed, belief or grooming, sex (including sexual orientation, gender identity, gender expression, transgender, pregnancy, childbirth, medical conditions related to pregnancy, childbirth or breast feeding), marital status, age, medical condition, physical or mental disability, genetic information, military or veteran status, or any other legally protected category or prohibited basis, including without limitation, the County's Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference, including but not limited to the California Fair Employment and Housing Act. Contractor shall give written notice of its obligations under this clause to labor organizations with which it has a collective bargaining or other agreement. (Cal. Code Regs., Title 2, section 11105.)

9.9. AIDS Discrimination

Contractor agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.10. Assignment of Rights

Contractor assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, and right to ideas in and to all versions of the plans and specifications, if any, now or later, prepared by Contractor in connection with this Agreement. Contractor agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Contractor's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Contractor shall not use or permit another party to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.11. Ownership and Disclosure of Work Product

All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Agreement, shall be the property of County. County shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this

Agreement, Contractor shall promptly deliver to County all such documents which have not already been provided to County in such form or format as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Contractor may retain copies of the above-described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.12. Authority

The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Contractor.

9.13. Confidentiality

Contractor agrees to maintain the confidentiality of all patient medical records and client information in accordance with all applicable state and federal laws and regulations, including the requirement to implement reasonable and appropriate administrative, physical, and technical safeguards to protect all confidential information. This Section 9.13 shall survive termination of this Agreement.

9.14. Charitable Choice/Faith-Based Organizations

Contractor agrees and acknowledges that County may make funds available for programs or services affiliated with religious organizations under the following conditions: (i) the funds are made available on an equal basis for programs or services affiliated with non-religious organizations; (ii) the program funded does not have the substantial effect of supporting religious activities; (iii) the funding is indirect, remote, or incidental to the religious purpose of the organization.

Contractor agrees and acknowledges that County may not make funds available for programs or services affiliated with a religious organization that (i) has denied or continues to deny access to services on the basis of race, color, religion, ancestry, national origin, sex, citizenship, or known disability; (ii) will use the funds for a religious purpose; (iii) will use the funds for a program or service that subjects its participants to religious education.

Contractor agrees and acknowledges that all recipients of funding from County must (i) comply with all legal requirements and restrictions imposed upon government-funded activities set forth in Article IX, Section 8 and Article XVI, Section 5 of the California Constitution and in the First Amendment to the United States Constitution; and (ii) segregate such funding from all funding used for religious purposes.

9.15. Sanctioned Employee or Subcontractor

Contractor agrees that it shall not employ in any capacity, or retain as a subcontractor in any capacity, any individual or entity whose service is directly or indirectly, in whole or in part, payable by a Federal Healthcare Program (including Medicare and Medicaid) that is on any published federal or state lists regarding the sanctioning, suspension, or exclusion of individuals or entities. At a minimum, the Office of Inspector General List of Excluded Individuals/Entities (LEIE), California Department of Health Care Services Medi-Cal List of Suspended or Ineligible Providers (LSIP), and System for Award Management (SAM) must be checked prior to employment and monthly thereafter, and the Social Security Administration's Death Master File and National Plan and Provider Enumeration System (NPPES) must be checked prior to

employment. In the event Contractor does employ such individual or entity, the Department of Health Services Compliance Officer must be notified immediately via Compliance Hotline 707-565-4999. Contractor agrees to assume full liability for any associated penalties, sanctions, loss, or damage that may be imposed on County by Federal Health Care Programs. Contractor shall not certify or pay any excluded subcontractor.

9.16. Lobbying

If any federal funds are to be used to pay for any services under this Agreement, Contractor shall fully comply with all certifications and disclosure requirements prescribed by Section 319 of the Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

9.17. No Suspension or Debarment

Contractor warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Contractor also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the General Services Administration. If Contractor becomes debarred, Contractor has the obligation to inform County.

9.18. Access-ADA

Contractor will provide reasonable access and accommodation to persons with disabilities to the extent required under the American with Disabilities Act or any applicable state law.

10. Demand for Assurance

Each party to this Agreement undertakes the obligation that the other party's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other party may in writing demand adequate assurance of due performance, and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received.

"Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding 30 days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 4 (Termination).

11. Assignment and Delegation

Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other party, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

12. Method and Place of Giving Notice, Submitting Bills, and Making Payments

All notices, shall be submitted via Sonoma County Cloud or in writing and shall be given by personal delivery or by U.S. Mail or courier service. Notices, shall be addressed as follows:

When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. 13. Miscellaneous Provisions

13.1. No Waiver of Breach

The waiver by County of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or provision or any subsequent breach of the same or any other term or promise contained in this Agreement.

13.2. Construction

To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. The parties covenant and agree that in the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby. Contractor and County acknowledge that they have each contributed to the making of this Agreement and that, in the event of a dispute over the interpretation of this Agreement, the language of the Agreement will not be construed against one party in favor of the other party. Contractor and County acknowledge that they have each had an adequate opportunity to consult with counsel in the negotiation and preparation of this Agreement.

Nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.

13.5. Applicable Law and Forum

This Agreement shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in the City of Santa Rosa or the forum nearest to the City of Santa Rosa in the County of Sonoma.

13.6. Captions

The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.

13.7. Merger

This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure Section 1856. Each party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

13.8. Survival of Terms

All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.

13.9. Time of Essence

Time is and shall be of the essence of this Agreement and every provision hereof.

13.10. Counterparts and Electronic Copies

The parties agree that this Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and together which when executed by the requisite parties shall be deemed to be a complete original agreement. These include:
- 1) The California Information Practices Act of 1977 (California Civil Code §§ 1798 et seq.).
 - 2) The Agreement between the Social Security Administration (SSA) and the County, known as the Information Exchange Agreement (IEA), which incorporates the Computer Matching and Privacy Protection Act Agreement (CMPPA) between the SSA and the California Health and Human Services Agency. The IEA, including the CMPPA, can be found at <https://sonomacounty.ca.gov/Health/Behavioral-Health/Forms-and-Materials/>.
- B. The purpose of this Exhibit is to set forth Contractor's privacy and security obligations with respect to PI and PII that Contractor may create, receive, maintain, use, or disclose for or on behalf of County pursuant to this Agreement. Specifically, this Exhibit applies to PI and PII which is not Protected Health Information (PHI) as defined by HIPAA and therefore is not addressed in this Exhibit, Part I of this Agreement, the HIPAA QSO/BA Addendum.
- C. The IEA Agreement referenced in A.2 above requires the County to extend its substantive privacy and security terms to subcontractors who receive data provided to DHCS by the Social Security Administration. If Contractor receives data from DHCS that includes data provided to DHCS by the Social Security Administration, Contractor must comply with the following specific sections of the IEA Agreement: E. Security Procedures, F. Contractor/Agent Responsibilities, and G. Safeguarding and Reporting Responsibilities for Personally Identifiable Information ("PII"), and in Attachment 4 to the IEA, Electronic Information Exchange Security Requirements, Guidelines and Procedures for Federal, State and Local Agencies Exchanging Electronic Information with the Social Security Administration. Contractor must also ensure that any agents, including a subcontractor, to whom it provides DHCS data that includes data provided by the Social Security Administration, agree to the same requirements for privacy and security safeguards for such confidential data that apply to Contractor with respect to such information.
- D. The terms used in this Exhibit, Part II, but not otherwise defined, shall have the same meanings as those terms have in the above referenced statute and Agreement. Any reference to statutory, regulatory, or contractual language shall be to such language as in effect or as amended.

2. Definitions

- B. “Breach of the security of the system” shall have the meaning given to such term under the California Information Practices Act, Civil Code § 1798.29(d).
- C. Confidential Information shall mean information that is exempt from disclosure under the provisions of the California Public Records Act (Government Code sections 6250-6265) or other applicable state or federal laws
- D. “CMPPA Agreement” means the Computer Matching and Privacy Protection Act Agreement between the Social Security Administration and the California Health and Human Services Agency (CHHS).
- E. “County PI” shall mean Personal Information, as defined below, accessed in a database maintained by the County, received by Contractor from the County or acquired or created by Contractor in connection with performing the functions, activities and services specified in this Agreement on behalf of the County.

- G. “Notice-triggering Personal Information” shall mean the personal information identified in Civil Code section 1798.29(e) whose unauthorized access may trigger notification requirements under Civil Code § 1709.29. For purposes of this provision, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print, a photograph or a biometric identifier. Notice-triggering Personal Information includes PI in electronic, paper or any other medium.
- H. “Personally Identifiable information” (PII) shall have the meaning given to such term in the IEA and CMPPA.
- I. “Personal Information” (PI) shall have the meaning given to such term in California Civil Code § 1798.3(a).
- J. “Required by law” means a mandate contained in law that compels an entity to make a use or disclosure of PI or PII that is enforceable in a court of law. This includes, but is not limited to, court orders and court-ordered warrants, subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information, and a civil or an authorized investigative demand. It also includes Medicare conditions of participation with respect to health care providers participating in the program, and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing public benefits.
- K. “Security Incident” means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of PI, or confidential data utilized in complying

with this Agreement; or interference with system operations in an information system that processes, maintains or stores PI.

- L. Sensitive Information shall mean information that requires special precautions to protect from unauthorized use, access, disclosure, modification, loss, or deletion. Sensitive Information may be either Public Information or Confidential Information. It is information that requires a higher than normal assurance of accuracy and completeness. Thus, the key factor for Sensitive Information is that of integrity. Typically, Sensitive Information includes records of agency financial transactions and regulatory actions.

3. Terms of Agreement

A. Permitted Uses and Disclosures of County PI and PII by Contractor

Except as otherwise indicated in this Exhibit, Part II, Contractor may use or disclose County PI only to perform functions, activities or services for or on behalf of the County pursuant to the terms of this Agreement provided that such use or disclosure would not violate the California Information Practices Act (CIPA) if done by the County.

To implement appropriate and reasonable administrative, technical, and physical safeguards to protect the security, confidentiality and integrity of County PI and PII, to protect against anticipated threats or hazards to the security or integrity of County PI and PII, and to prevent use or disclosure of County PI or PII other than as provided for by this Agreement. Contractor shall develop and maintain a written information privacy and security program that include administrative, technical and physical safeguards appropriate to the size and complexity of Contractor's operations and the nature and scope of its activities, which incorporate the requirements of

Section 3, Security, below. Contractor will provide DHCS with its current policies upon request.

- 3) Security. Contractor shall take any and all steps necessary to ensure the continuous security of all computerized data systems containing PHI and/or PI, and to protect paper documents containing PHI and/or PI. These steps shall include, at a minimum:

- 4) Mitigation of Harmful Effects. To mitigate, to the extent practicable, any harmful effect that is known to Contractor of a use or disclosure of County PI or PII by Contractor or its subcontractors in violation of this Exhibit, Part II.
- 5) Contractor's Agents and Subcontractors. To impose the same restrictions and conditions set forth in this Exhibit, Part II on any subcontractors or other agents with whom Contractor subcontracts any activities under this Agreement that involve the disclosure of County PI or PII to the subcontractor.
- 6) Availability of Information to County. To make County PI and PII available to the County for purposes of oversight, inspection, amendment, and response to requests for records, injunctions, judgments, and orders for production of County PI and PII. If Contractor receives County PII, upon request by DHCS, Contractor shall provide DHCS with a list of all employees, contractors and agents who have access to County PII, including employees, contractors and agents of its subcontractors and agents.

- 7) Cooperation with County. With respect to County PI, to cooperate with and assist the County to the extent necessary to ensure the County's compliance with the applicable terms of the CIPA including, but not limited to, accounting of disclosures of County PI, correction of errors in County PI, production of County PI, disclosure of a security breach involving County PI and notice of such breach to the affected individual(s).
- 8) Breaches and Security Incidents. During the term of this Agreement, Contractor agrees to implement reasonable systems for the discovery and prompt reporting of any breach or security incident, and to take the following steps:
 - a) Initial Notice to the County. (1) To notify the County immediately by telephone call plus email or fax upon the discovery of a breach of unsecured County PI or PII in electronic media or in any other media if the PI or PII was, or is reasonably believed to have been, accessed or acquired by an unauthorized person, or upon discovery of a suspected security incident involving County PII. (2) To notify the County within 24 hours (1 hour if SSA data) by email or fax of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of County PI or PII in violation of this Agreement or this Exhibit, Part I, or potential loss of confidential data affecting this Agreement. A breach shall be treated as discovered by Contractor as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Contractor.
 - b) Notice shall be provided to the County Privacy and Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic County PI or PII, notice shall be provided by calling the County Privacy and Security Officer. Notice shall be made using the County "Privacy Incident Report" form.
 - c) Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of County PHI, Contractor shall take:
 - i. Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and
 - ii. Any action pertaining to such unauthorized disclosure required by applicable Federal and State laws and regulations.
 - d) Investigation and Investigation Report. To immediately investigate such suspected security incident, security incident, breach, or unauthorized access, use or disclosure of PHI within 72 hours of the discovery, Contractor shall submit an updated "Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at the time, to the County Privacy and Security Officer.
 - e) Complete Report. To provide a complete report of the investigation to the County Privacy and Security Officer within ten (10) working days of the discovery of the breach or unauthorized use or disclosure. The report shall be submitted on the "Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred. The report shall

also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If the County requests information in addition to that listed on the “Privacy Incident Report” form, Contractor shall make reasonable efforts to provide the County with such information. If, because of the circumstances of the incident, Contractor needs more than ten (10) working days from the discovery to submit a complete report, the County may grant a reasonable extension of time, in which case Contractor shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated “Privacy Incident Report” form. The County will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.

- f) Responsibility for Reporting of Breaches. If the cause of a breach of County PI or PII is attributable to Contractor or its agents, subcontractors or vendors, Contractor is responsible for all required reporting of the breach as specified in CIPA, § 1798.29(a) – (d) and as may be required under the IEA. Contractor shall bear all costs of required notifications to individuals as well as any costs associated with the breach. The County Privacy and Security Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made. The County will provide its review and approval expeditiously and without unreasonable delay. If Contractor has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to the County in addition to Contractor, Contractor shall notify the County, and the County and Contractor may take appropriate action to prevent duplicate reporting.
- g) County Contact Information. To direct communications to the above referenced County staff, the Contractor shall initiate contact as indicated herein. The County reserves the right to make changes to the contact information below by giving written notice to the Contractor. Said changes shall not require an amendment to this Addendum or the Agreement to which it is incorporated.

Contractor shall designate an individual, (e.g., Security Officer), to oversee its data security program, who shall be responsible for carrying out the requirements of this Exhibit, Part II and for communicating on security matters with the County.
- 10) Confidentiality of Alcohol and Drug Abuse Patient Records. Contractor agrees to comply with all confidentiality requirements set forth in Title 42 Code of Federal Regulations, Chapter I, Subchapter A, Part 2. Contractor is aware that criminal penalties may be imposed for a violation of these confidentiality requirements.

Part II: Miscellaneous Terms and Conditions (Applies to all Contractors)

4. Disclaimer

The County makes no warranty or representation that compliance by Contractor with this Exhibit, HIPAA or the HIPAA regulations will be adequate or satisfactory for Contractor's own purposes or that any information in Contractor's possession or control, or transmitted or received by Contractor, is or will be secure from unauthorized use or disclosure. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of the County PHI.

5. Amendment

The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations. Upon either party's request, the other party agrees to promptly enter into negotiations concerning an amendment to this Exhibit embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations. The County may terminate this Agreement upon thirty (30) days written notice in the event:

- 1) Contractor does not promptly enter into negotiations to amend this Exhibit when requested by the County pursuant to this section; or
- 2) Contractor does not enter into an amendment providing assurances regarding the safeguarding of County PHI that the County deems necessary to satisfy the standards and requirements of HIPAA and the HIPAA regulations.

6. Judicial or Administrative Proceedings

Contractor will notify the County if it is named as a defendant in a criminal proceeding for a violation of HIPAA or other security or privacy law. The County may terminate this Agreement if Contractor is found guilty of a criminal violation of HIPAA. The County may terminate this Agreement if a finding or stipulation that the Contractor has violated any standard or requirement of HIPAA, or other security or privacy laws is made in any administrative or civil proceeding in which the Contractor is a party or has been joined. DHCS will consider the nature and seriousness of the violation in deciding whether or not to terminate the Agreement.

7. Assistance in Litigation or Administrative Proceedings

Contractor shall make itself and any subcontractors, employees or agents assisting Contractor in the performance of its obligations under this Agreement, available to the County at no cost to the County to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.

8. No Third-Party Beneficiaries

Nothing express or implied in the terms and conditions of this Exhibit is intended to confer, nor shall anything herein confer, upon any person other than the County or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.

9. Interpretation

The terms and conditions in this Exhibit shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, and the HIPAA regulations. The parties agree that any ambiguity in the terms and conditions of this Exhibit shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act and the HIPAA regulations.

10. Conflict

In case of a conflict between any applicable privacy or security rules, laws, regulations or standards the most stringent shall apply. The most stringent means that safeguard which provides the highest level of protection to PHI from unauthorized disclosure. Further, Contractor must comply within a reasonable period of time with changes to these standards that occur after the effective date of this Agreement.

11. Regulatory References

A reference in the terms and conditions of this Exhibit to a section in the HIPAA regulations means the section as in effect or as amended.

12. Survival

The respective rights and obligations of Contractor under Section 3, Item D of this Exhibit, Part I, Responsibilities of Contractor, shall survive the termination or expiration of this Agreement.

13. No Waiver of Obligations

No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

14. Audits, Inspection and Enforcement

From time to time, and subject to all applicable federal and state privacy and security laws and regulations, the County may conduct a reasonable inspection of the facilities, systems, books and records of Contractor to monitor compliance with this Exhibit. Contractor shall promptly remedy any violation of any provision of this Exhibit. The fact that the County inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit. The County's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the County's enforcement rights under this Agreement, including this Exhibit.

15. Due Diligence

Contractor shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Exhibit and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Exhibit.

16. Term

17. Effect of Termination

Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all County PHI, PI and PII that Contractor still maintains in any form, and shall retain no copies of such PHI, PI or PII. If return or destruction is not feasible, Contractor shall notify the County of the conditions that make the return or destruction infeasible, and the County and Contractor shall determine the terms and conditions under which Contractor may retain the PHI, PI or PII. Contractor shall continue to extend the protections of this Exhibit to such County PHI, PI and PII, and shall limit further use of such data to those purposes that make the return or destruction of such data infeasible. This provision shall apply to County PHI, PI and PII that is in the possession of subcontractors or agents of Contractor.
