Title:

Strategic Public Outreach and Coalition Development

Recommended Action:

Authorize Sonoma County Water Agency's General Manager to execute the First Amended and Restated Agreement for Strategic Public Outreach and Coalition Development Services with Kathleen Ritzman, in a form approved by County Counsel. The amended agreement increases the amount by \$60,000 and extends the agreement term by one year for a new not-to-exceed agreement total of \$106,500 and end date of 3/31/2024. ☐
(Exempt per CEQA Guidelines section 15061(b)(3))

Executive Summary:

Consultant will support Sonoma Water's government and community affairs program by developing strategic public outreach coalitions in support of implementing Sonoma Water's Strategic Plan. Included in the Strategic Plan is a goal for Sonoma Water to build legislative and community awareness for issues concerning Sonoma Water's aging infrastructure, climate change, water quality and supply, and development of stakeholder awareness of these and other issues.

Discussion:

HISTORY OF ITEM/BACKGROUND

Sonoma Water is a California special district with responsibility for wholesale water supply, flood protection, wastewater treatment, and recycled water distribution. Sonoma Water also operates a hydroelectric plant and allows recreational use over some of its properties. Significant efforts are underway to increase renewable power production, reduce greenhouse gas emissions, and provide for climate change adaption.

Under the original agreement, Consultant supports Sonoma Water's Government Affairs program by providing strategic counsel on key state and federal legislative efforts related to extreme weather events, advanced water supply management technology, climate resiliency initiatives, and coalition development. This counsel has been effective in developing coalitions and awareness of Sonoma Water's legislative goals and community engagement efforts.

Since the development of the Sonoma Water Strategic Plan (2023-2028), new goals have been identified which support the continued work of the Consultant in those areas under the community engagement section of the Strategic Plan. The Consultant will continue to provide assistance to Sonoma Water by providing strategic counsel on key state and federal legislative efforts related to climate adaptation, infrastructure,

environmental stewardship, water quality and developing stakeholder awareness for these and other initiatives.

Sonoma Water and Kathleen Ritzman (Consultant) entered into an agreement for strategic public outreach and coalition development services, dated 7/20/22 in the amount of \$46,500.

CALIFORNIA ENVIRONMENTAL QUALITY ACT

Sonoma Water's General Manager has determined that the project is exempt from CEQA under CEQA Guidelines Section 15061(b)(3) as the project will provide funding for an agreement to hire a consultant to provide public outreach and coalition development services and there is no possibility that the project may have a significant effect on the environment.

SELECTION PROCESS

Consultant was selected for the subject work because of its existing relationships with state and federal agencies and partners in related issues and programs.

SERVICES TO BE PERFORMED

Under the proposed amended agreement, Consultant will continue to provide public outreach and coalition development services.

The additional cost is \$60,000, for a new not-to-exceed agreement total of \$106,500. The new end date is March 31, 2024. The ongoing work of the Consultant will support Sonoma Water's Strategic Plan under community engagement.
