#### **Resolution Proclaiming March 2023 As Women's History Month in Sonoma County**

**Whereas,** women have played a critical role in shaping the economic, cultural, and social fabric of our society through their participation in the labor force, working both inside and outside the home; and

**Whereas,** Women's History Month provides an opportunity for schools and communities to increase the knowledge held by our children and our community of women's roles in history and their contributions to the development of this nation; and

**Whereas,** the story of American women is the story of pioneering women who led campaigns for equality and civil rights, advanced professional and educational opportunities and contributed significantly to the arts, sciences and humanistic causes; and

**Whereas,** the 2023 theme for Women's History Month is "Celebrating Women Who Tell Our Stories." honoring women, past and present, who have been active in all forms of media, storytelling, producing art, pursuing truth, and reflecting the human condition decade after decade; and

**Whereas,** Women's History Month is both a call to acknowledge outstanding women we know by name, and to pay homage to the nameless women who have shaped our collective past;
