Please describe your relevant experience/expertise that you believe would make you a valuable member of this body.

I am a lifelong resident of Petaluma, and an avid sportsman my entire life, particularly fishing out of both Bodega and Tomales bays. I currently berth my sport fishing boat in Masons Marina. I gained valuable experience working the decks of several local sport charter boats during my grade school years through high school. I was enrolled in the Petaluma Sea Scouts program also during that time. I am active all year fishing the different sport seasons at Bodega Bay. I graduated from St. Vincents HS in 1970. SRJC in 1972 and Sonoma State College, BA Criminal Justice Admin 1974.

Interests & Experiences

What interests you most about this agency? What skills or experience would you bring to best support the work of this agency?

Having fished at Bodega Bay since childhood, I have personally witnessed both the up and down cycles of the commercial and recreational fisheries. As well as the tremendous growth of Bodega Bay through the years including the construction of Spud Point Marina in the early 80's. I retired from the Sonoma County Probation Department in 2006 after 32 years, as the manager Division Director of the SAC program. I had an active working relationship with most all County Agencies, particularly Regional Parks, in addition to Calif State Parks and CDFW. I have a thorough knowledge of County Policies and Procedures and inter-departmental operations.
