5. SUMMARY OF WORK TO BE PERFORMED:

- A. Contractor shall provide access to portions of its MADF (hereinafter referred to as “Jail”) for the purposes of administering a Jail-Based Competency Treatment (JBCT) program for the provision of restoration of competency treatment services for male and female individuals, hereafter referred to as “Patient Inmates,” charged with felony offenses and found by the courts to be Incompetent to Stand Trial (IST) under Penal Code section 1370. Contractor shall provide restoration of competency treatment services to IST Patient Inmates participating in the JBCT program.

6. CONTRACTOR RESPONSIBILITIES:

- A. Contractor shall designate an area within the Jail dedicated to the administration of a JBCT program and provide restoration of competency treatment services, either directly or through contract, that may restore trial competency for incarcerated male and female felony IST Patient Inmates committed to the DSH under Penal Code section 1370.
- B. In providing restoration of competency treatment services, Contractor shall adhere to the JBCT program outlines contained in Exhibit A-1, Program Elements.
- C. Contractor shall ensure that a preliminary evaluation of each potential JBCT Patient Inmate is conducted through, at a minimum, a review of the medical and mental health records of each prospective Patient Inmate, prior to admission into the JBCT program.
 - i. Contractor shall ensure that priority for admissions to the JBCT program shall be based on commitment date, unless an exception is made based on one of the factors listed in California Code of Regulations (CCR), Title 9, Section 4710. In the event multiple felony IST defendants have the same commitment date, admission shall be scheduled based on the availability of the committing county to transport the defendants.
 - ii. Upon admission into the JBCT program, Contractor shall ensure that a more thorough assessment is conducted as indicated in Exhibit A-1, Program Elements.
- D. Contractor shall provide a minimum of eight single cells with beds (**Allocated Beds**) to Patient Inmates located in the JBCT-designated area and shall be paid in full for the minimum eight Allocated Beds at the per diem rate, regardless of the number of Patient Inmates admitted.

Contractor shall be reimbursed for additional beds (**Non-Allocated Beds**) at the per diem rate for the actual number of days that each individual Patient Inmate is in the JBCT program.

- E. Patient Inmates housed at the Jail shall remain under the legal and physical custody of Contractor.
- F. Contractor retains the right to exclude specific individual Patient Inmates from the JBCT-designated area for security and classification reasons at the time of assignment or at any point during their incarceration at the Jail.
- G. Contractor agrees to consult with the DSH Contract Manager when possible regarding the removal of a Patient Inmate from the JBCT program. Should Contractor determine, based on clinical considerations, patient history, or other factors, that a current or potential Patient Inmate is, or likely shall, negatively impact others participating in the JBCT program, Contractor shall inform the DSH Contract Manager immediately in writing, and by phone. Contractor agrees that the decision to remove such a Patient Inmate from the JBCT program is at the sole discretion of the DSH, and the DSH shall not unreasonably withhold such permission. If a Patient Inmate is removed from the JBCT program, the DSH shall arrange to have such Patient Inmate admitted to a state hospital forthwith as is permitted under the admission requirements set forth in CCR, Title 9, sections 4700, et seq. Contractor shall continue to treat the Patient Inmate in the JBCT program until such arrangements are made.
- H. Implementation of Contractor's JBCT program shall be limited to treating Sonoma County Patient Inmates. Contractor agrees that the DSH shall compensate Contractor for the designated area, personnel, and services provided for the care of Patient Inmates receiving treatment services in the JBCT program, regardless of the number of Patient Inmates admitted, for the contracted eight Allocated Beds. However, notwithstanding Sections F and G, Contractor shall make every reasonable effort to ensure that the eight Allocated Beds provided for treatment services under this Agreement are occupied by Patient Inmates at all times. This includes, but is not limited to, admitting Patient Inmates of increasing levels of acuity.
 - i. The DSH shall make every reasonable effort to ensure adequate Patient Inmate referrals are sent to Contractor throughout the term of this Agreement.
 - ii. By mutual agreement, in writing, and at the request of the DSH, Contractor may admit Patient Inmates into the JBCT program above the eight Allocated Beds.
- I. If less than eight beds are occupied for more than 45 consecutive days, the DSH and Contractor shall initiate an amendment to this Agreement, authorizing Contractor to accept felony IST Patient Inmate referrals from neighboring counties.
- J. Contractor shall provide for the care, confinement, and security of the Patient Inmates in accordance with all federal and state laws, standards, regulations, policies, procedures, and court orders applicable to the Jail, including the Prison Rape Elimination Act.

- ii. For the purposes of this Agreement, Routine Medical Care, shall be defined as all medical, dental, and mental health care as well as the cost of medical supplies, any prescription medications which are provided to Patient Inmates, and restoration of competency treatment services which are provided by the Jail to Patient Inmates, including prescribed psychotropic medications.
- iii. For the purposes of this Agreement, Non-Routine Medical Care shall be defined as major medical operations or surgeries (such as heart transplants), continuation of any experimental medication, services that cannot be provided onsite at the Jail, and emergency medical care.
- iv. Contractor is solely responsible for ensuring Patient Inmates receive all necessary Non-Routine Medical Care. If a Patient Inmate requires Non-Routine Medical Care, Contractor shall notify the DSH Contract Manager or designee immediately in writing and by phone, or as soon as possible. For such patients, the DSH reserves the right to either admit the Patient Inmate to a state hospital for treatment or to require Contractor to ensure that the Patient Inmate is provided care at a facility designated by Contractor. Should the Patient Inmate be provided care at an outside facility, the DSH shall direct Contractor or the facility providing care to invoice the DSH directly for the full cost of care provided by submitting the invoice to the attention of the DSH Contract Manager.
- v. In the event of an emergency, Contractor shall proceed immediately with necessary medical treatment. Contractor shall notify the DSH immediately regarding the nature of the illness or injury as well as the types of treatment provided. The DSH shall direct Contractor or the facility providing care to invoice the DSH directly for the full cost of care provided by submitting the invoice to the attention of the DSH Contract Manager.

Contractor and its subcontractors shall procure and keep in full force and effect during the term of this Agreement all permits, registrations, and licenses necessary to accomplish the work specified in this Agreement and shall give all notices necessary and incident to the lawful prosecution of the work. Contractor shall provide proof of any such license(s), permits(s), and certificate(s) upon

request by the DSH. Contractor agrees that failure by itself or its subcontractors to provide evidence of licensing, permits, or certifications shall constitute a material breach for which the DSH may terminate this Agreement with cause.

- O. Contractor shall provide services as outlined in this Agreement. Contractor shall be responsible to fulfill the requirements of this Agreement and shall incur expenses at its own risk and invest sufficient amount of time and capital to fulfill the obligations as contained herein.
- P. Contractor and its subcontractors shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and to comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Agreement. If any conflict arises between provisions of the plans and specifications and any such law above referred to, then Contractor shall immediately notify the DSH in writing.
- Q. The DSH may terminate this Agreement pursuant to section 7 of Exhibit C if Contractor or its subcontractors fails to comply with a federal, state, or local law and the noncompliance, based on the facts and circumstances, would constitute a material breach of this Agreement under California law.

7. DSH RESPONSIBILITIES:

- A. Rights of the DSH to Perform Quality Assurance and Financial Audits/Reviews
 - i. The DSH may routinely evaluate the work performance of Contractor, Contractor's personnel, subcontractors, or other parties associated with Contractor to determine if the DSH standards and departmental policies and procedures are being maintained. If it is found that any party fails to perform or is physically or mentally incapable of providing services as required by the Agreement, then that party shall not perform services for the DSH.
 - ii. The DSH may monitor and evaluate services provided in fulfillment of the requirements of this Agreement, as detailed in Exhibit A. Such monitoring and evaluation may occur on a regular cycle or as deemed necessary by the DSH Contract Manager. The DSH retains sole and absolute discretion in determining any such evaluation schedule.

 - iv. The DSH may audit and examine Contractor's records and accounts which pertain, directly or indirectly, to services performed under this Agreement. The DSH may hire third parties to perform the audit and examination, including but not limited to, accountants, consultants, or service providers in the applicable field. Contractor shall cooperate fully with the audits and examinations. The DSH nor any persons performing audits and examinations under this Agreement on its behalf may not disclose, disseminate, copy, or publish any private information obtained during the course of performing this Agreement, without consent of Contractor, unless such disclosure is required by law.

- v. If, as a result of an audit and examination, the DSH is informed of underpayments or overpayments, the DSH shall notify Contractor of the need for payment or reimbursement. Upon receipt of a final audit report, Contractor has 30 days to reimburse any overpayment or to dispute or challenge the report. Contractor and the DSH shall confer and negotiate in good faith with respect to any disputed portion of the final audit report to reach agreement with respect to adjustments, payments, and reimbursements.
- vi. The DSH shall submit its findings to Contractor and establish a deadline for correcting any deficiencies in fulfilling the obligations set forth in this section. Failure by Contractor to timely correct deficiencies shall be reason for termination of services under this Agreement.

8. PERFORMANCE MEASURES:

A. Complete and Timely Provision of Services

- i. Expectations: Contractor is expected to provide all services, including any and all required reports, in a timely manner—in accordance with the timelines established in this Scope of Work.
- ii. Penalties: Should Contractor not provide all services, including any and all required reports in a timely manner, the DSH may choose to terminate this Agreement. Additionally, the DSH may find Contractor to be not responsible in provision of services and evaluate this in future contracting opportunities.

9. AMENDMENTS:

- A. The parties reserve the right to amend this Agreement to adjust the funding rates and/or the number of Allocated Beds due to fluctuations in census and/or operational costs no more than once per year. The parties may also amend this Agreement by extending its term for two additional terms of up to one year each, and to add funding sufficient for these periods. This right to amend is in addition to the right to amend for other reasons contained in this Agreement or noted in the solicitation that resulted in this Agreement, if applicable. Any amendment shall be in writing and signed by both parties and be approved by the Department of General Services if such approval is required.

- B. Contractor shall be in default of this Agreement (i) upon the institution by or against Contractor of insolvency, receivership or bankruptcy proceedings or any other proceedings for the settlement of Contractor's debts, (ii) upon Contractor making an assignment for the benefit of creditors, (iii) upon either party's dissolution or ceasing to do business, or (iv) when the facts and circumstances indicate that Contractor is insolvent. - D. The DSH's failure to detect or the DSH's detection of any unsatisfactory practices, but failure to notify Contractor or require Contractor's remediation of the unsatisfactory practices does not constitute acceptance of such practice or a waiver of the DSH's enforcement rights under this Agreement.
