Env. Doc: Mitigated Negative Declaration

Proposal:

Reguest for a (1) four-year phased Use Permit for a winery with a maximum annual production of 40,000 cases, public tours and four tasting rooms, and includes a total of 20 event days, and (2) the use of an existing vacation rental in association with on-site event activities. Phase I (1-2 years) includes conversion of an existing 10,836 square foot barn to a barrel storage building with two tasting rooms (one containing a 640 square foot reserve tasting room, and an 1,140 square foot public tasting room located in the barrel storage area); barrel storage room, offices, conference room, commercial kitchen and related areas, along with construction of a 2,500 square foot agricultural storage building. The 20 event days per year would consist of 8 agricultural promotional events, 4 industry wide events, and 8 private events featuring Bricoleur Vineyards' wine and other agricultural products, with event days varying in size from 100 to 200 guests. Phase I also includes use of an existing vacation rental unit with events. Phase II (1-4 years) includes demolition of an existing riding arena to allow the construction of a new 22,880 square foot two-story winery production
