

County of Sonoma

State of California

Date: August 13, 2019

Item Number: _____
Resolution Number: _____

☐ 4/5 Vote Required

Resolution of the Board of Supervisors of the County of Sonoma, State of California, authorizing Sonoma County's Membership in the Urban Sustainability Directors Network.

Whereas, the Urban Sustainability Directors Network (USDN) is a network of local governments dedicated to accelerating urban sustainability through peer exchange and collaboration between local government sustainability leaders to catalyze the creation and implementation of urban sustainability solutions.

Whereas, USDN governments lead the way to sustainable, low-carbon futures by developing, adopting, and sharing practices that create equitable and prosperous communities and healthy environments.

Whereas, the Regional Climate Protection Authority is a local government agency overseen by a Board of elected officials from each of the ten local jurisdictions in Sonoma County and is tasked with coordinating countywide efforts to reduce GHGs and become more resilient to climate change.

Whereas, this Board of Supervisors seeks to participate in USDN through representation from RCPA to collaborate with other local entities to further climate goals in Sonoma County and share information to further climate goals in other jurisdictions.

Now, Therefore, Be It Resolved that the Board of Supervisors hereby finds, determines, declares the following:

1. Endorsement of Sonoma County's participation in the Urban Sustainability Directors Network to further work toward climate goals.
2. Designates Aleka Seville, RCPA Director of Climate Programs, as the County's Core Participant in USDN.
