If the Option Price indicated by Provider in accordance with Section 2.3(i) is equal to the Fair Market Value (as determined by a third party selected by the Provider) and Purchaser disputes such stated Fair Market Value within thirty (30) days of receipt of such notice from Provider, then the Purchaser shall select an independent appraiser with experience and expertise in the Energy Services industry, to be approved by the Provider, and the provider shall not unreasonably withhold approval of the appraiser. Such appraiser shall act reasonably and in good faith to determine Fair Market Value and shall set forth such determination in a written opinion delivered to the Parties. (ix) There has been a material adverse change in Purchaser's credit-worthiness.

(b) If any of the conditions set forth in Section 2.5(a) are partly or wholly unsatisfied, and Provider wishes to revise the information in the Special Conditions, then Provider may propose modifications to the Special Conditions for acceptance by Purchaser. If Purchaser does not accept such modified Special Conditions, Provider may terminate this Agreement as provided in Section 2.5(a). Subject to Section 9.1 above, Provider shall be responsible for all income, gross receipts, ad valorem, personal property or real property or other similar taxes and any and all franchise fees or similar fees assessed against it due to its ownership or maintenance of the System.

## 10. FORCE MAJEURE.

10.1 Definition. “Force Majeure Event” means any act or event that prevents the affected Party from performing its obligations in accordance with this Agreement, if such act or event is beyond the reasonable control, and not the result of the fault or negligence, of the affected Party and such Party had been unable to overcome such act or event with the exercise of due diligence (including the expenditure of reasonable sums). Subject to the foregoing conditions, “Force Majeure Event” shall include without limitation the following acts or events: (i) natural phenomena, such as storms, hurricanes, floods, lightning, volcanic eruptions and earthquakes; (ii) explosions or fires arising from lightning or other causes unrelated to the acts or omissions of the Party seeking to be excused from performance; (iii) acts of war or public disorders, civil disturbances, riots, insurrection, sabotage, epidemic, terrorist acts, or rebellion; (iv) strikes or labor disputes (except strikes or labor disputes caused solely by employees of Provider or as a result of such party’s failure to comply with a collective bargaining agreement); (v) action or inaction by a Governmental Authority (unless Purchaser is a Governmental Authority and Purchaser is the Party whose performance is affected by such action nor inaction). A Force Majeure Event shall not be based on the economic hardship of either Party, or upon the expiration of any lease of the Premises by the Purchaser from the owner of the Premises.

10.2 Excused Performance. Except as otherwise specifically provided in this Agreement, neither Party shall be considered in breach of this Agreement or liable for any delay or failure to comply with this Agreement (other than the failure to pay amounts due hereunder), if and to the extent that such delay or failure is attributable to the occurrence of a Force Majeure Event; *provided*, the Party claiming relief under this Article 10 shall as soon as practicable after becoming aware of the circumstances constituting Force Majeure (i) notify the other Party in writing of the existence of the Force Majeure Event, (ii) exercise all reasonable efforts necessary to minimize delay caused by such Force Majeure Event, (iii) notify the other Party in writing of the cessation or termination of said Force Majeure Event and (iv) resume performance of its obligations hereunder as soon as practicable thereafter; *provided*, Purchaser shall not be excused from making any payments and paying any unpaid amounts due in respect of Energy Services delivered to Purchaser prior to the Force Majeure Event performance interruption. Subject to Section 10.3 below, the Parties agree that to the extent permitted by Applicable Law, the Term of this Agreement shall extend on a day for day basis for every day in which the occurrence of a Force Majeure Event has affected either Party’s performance of its obligations hereunder.

10.3 Termination in Consequence of Force Majeure Event. If a Force Majeure Event shall have occurred that has affected Provider’s performance of its obligations hereunder and that has continued for a continuous period of one hundred eighty (180) days, then either Party shall be entitled to terminate this Agreement upon ninety (90) days’ prior written notice to the other Party. If at the end of such ninety (90) day period such Force Majeure Event shall still continue, this Agreement shall automatically terminate. Upon such termination for a Force Majeure Event, neither Party shall have any liability to the other (other than any such liabilities that have accrued prior to such termination).

(b) Purchaser’s Remedies. If a Provider Default described in Section 11.1(a) has occurred and is continuing, in addition to other remedies expressly provided herein, and subject to Article 12, Purchaser may terminate this Agreement without triggering the Early Termination Fee set forth on Schedule 3, Column 1 of the Special Conditions and exercise any other remedy it may have at law or equity or under this Agreement.

#### 11.2 Purchaser Defaults and Provider’s Remedies.

(a) Purchaser Default. The following events shall be defaults with respect to Purchaser (each, a “Purchaser Default”):

- (i) A Bankruptcy Event shall have occurred with respect to Purchaser;

- (iii) Purchaser fails to pay Provider any undisputed amount due Provider under this Agreement within thirty (30) days from receipt of notice from Provider of such past due amount.

(b) Provider’s Remedies. If a Purchaser Default described in Section 11.2(a) has occurred and is continuing, in addition to other remedies expressly provided herein, and subject to Article 12, Provider may terminate this Agreement and upon such termination, (A) Provider shall be entitled to receive from Purchaser the Early Termination Fee set forth on Schedule 3, Column 1 of the Special Conditions, and, to the extent not satisfied by the Early Termination Fee, (B) Provider may exercise any other remedy it may have at law or equity or under this Agreement.

11.3 Cross Default. With respect to any Systems of Provider that are co-located at the same Premises, if a Party defaults under this Agreement, it shall also be a default of such Party under the Agreement(s) related to the other co-located System(s); *provided*, a cure of the original default shall be a cure of any such cross default. In the event of a cross default, the non-defaulting Party shall be entitled to exercise its rights with respect to this Agreement and all such other Agreements, including terminating all such Agreements and, if Provider terminates one or more Agreements due to a Purchaser Default, Purchaser shall pay the Early Termination Fees for all such terminated Agreements.

11.4 Removal of System. Upon any termination of this Agreement pursuant to this Article 11 and payment of the Early Termination Fee (if applicable), Provider will remove the System pursuant to Section 2.4 hereof.

## 12. LIMITATIONS OF LIABILITY.

13.1 Assignment by Provider. Provider shall not sell, transfer or assign (collectively, an "Assignment") this Agreement or any interest therein to any third party (except as permitted below), without first presenting Purchaser with the opportunity being presented to others. Provider shall not assign this Agreement or any interest therein, without the prior written consent of Purchaser, which shall not be unreasonably withheld, conditioned or delayed; *provided*, Purchaser agrees that Provider may assign this Agreement without the consent of the Purchaser to an affiliate of Provider or any party providing financing for the System. In the event that Provider identifies a secured Financing Party in the Special Conditions, or in a subsequent notice to Purchaser, then Purchaser shall comply with the provisions set forth in Exhibit B of these General Terms and Conditions and agrees to provide such estoppels, acknowledgments and opinions of counsel as Provider may reasonably request from time to time. Any Financing Party shall be an intended third-party beneficiary of this Section 13.1. Any Assignment by Provider without any required prior written consent and release of Purchaser shall not release Provider of its obligations hereunder. In no event shall Provider be released from its obligations under this Agreement unless and until the assignee has assumed the rights and obligations of Provider under this Agreement in writing.

13.2 Acknowledgment of Collateral Assignment. In the event that Provider identifies a secured Financing Party in the Special Conditions, or in a subsequent notice to Purchaser, then Purchaser hereby acknowledges:

(a) The collateral assignment by Provider to the Financing Party, of Provider's right, title and interest in, to and under this Agreement, as consented to under Section 13.1 of this Agreement.

(b) That the Financing Party as such collateral assignee shall be entitled to exercise any and all rights of lenders generally with respect to Provider's interests in this Agreement.

Any Financing Party shall be an intended third- party beneficiary of this Section 13.2.

13.3 Assignment by Purchaser. Notwithstanding the above, a Party may provide such Confidential Information to its officers, directors, members, managers, employees, agents, contractors, consultants, Affiliates, lenders (existing or potential), investors (existing or potential) and potential third-party assignees of this Agreement or third-party acquirers of Provider or its Affiliates (provided and on condition that such potential third-party assignees be bound by a written agreement restricting use and disclosure of Confidential Information) (collectively, "Representatives"), in each case whose access is reasonably necessary. Each such recipient of Confidential Information shall be informed by the Party disclosing Confidential Information of its confidential nature and shall be directed to treat such information confidentially and shall agree to abide by these provisions. In any event, each Party shall be liable (with respect to the other Party) for any breach of this provision by any entity to whom that Party improperly discloses Confidential Information. All Confidential Information shall remain the property of the disclosing Party and shall be returned to the disclosing Party or destroyed after the receiving Party's need for it has expired or upon the request of the disclosing Party.

15.2 Permitted Disclosures. Notwithstanding any other provision herein, neither Party shall be required to hold confidential any information that:

- (a) Becomes publicly available other than through the receiving Party;

- (d) Becomes available to the receiving Party without restriction from a third party under no obligation of confidentiality.

15.3 Goodwill and Publicity. Neither Party shall use the service mark or trademark of the other Party in any promotional or advertising material without the prior written consent of such other Party. The Parties shall coordinate and cooperate with each other, including making commercially-reasonable efforts to obtain prior review and approval of the other Party, when making public announcements or other public disclosures related to or describing any aspect of this Agreement, unless any such statement is a permitted disclosure pursuant to Section 15.2.

At no time will either Party acquire any rights whatsoever to any trademark, trade name, service mark, logo or other intellectual property right belonging to the other Party. Notwithstanding the foregoing, Purchaser agrees that Provider may, at its sole discretion, take photographs of the installation process of the System and/or the completed System, and Provider shall be permitted to use such images (regardless of media) in its marketing efforts, including but not limited to use in brochures, advertisements, websites and news outlet or press release articles. The images shall not include any identifying information without Purchaser permission and the installation site shall not be disclosed beyond the type of establishment (such as "Retail Store," "Distribution Center," or such other general terms), the city and state.

15.4 Enforcement of Confidentiality Obligation. Each Party agrees that the disclosing Party would be irreparably injured by a breach of this Article by the receiving Party or its Representatives or other Company to whom the receiving Party discloses Confidential Information of the disclosing Party and that the disclosing Party may be entitled to equitable relief, including injunctive relief and specific performance, in the event of any breach of the provisions of this Article. To the fullest extent permitted by Applicable Law, such remedies shall not be deemed to be the exclusive remedies for a breach of this Article, but shall be in addition to all other remedies available at law or in equity.

## 16. INDEMNITY.

16.1 Provider agrees to accept responsibility for loss or damage to any person or entity, including Purchaser and Purchaser's property (and if the System is roof-mounted, including any damage to the roof, associated structure, or voiding of any applicable roof warranty), and to defend, indemnify, hold harmless, and release Purchaser, its officers, agents, and employees (collectively, the "Purchaser Indemnified Parties"), from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Provider, that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Provider or its agents, employees, contractors, subcontractors, or invitees hereunder, whether or not there is concurrent or contributory negligence on Purchaser's part, but, to the extent required by law, excluding liability due to Purchaser's conduct. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Provider or its agents, employees, contractors, subcontractors, or invitees under workers' compensation acts, disability benefits acts, or other employee benefit acts.

16.2 Purchaser's Indemnity. Purchaser agrees that it shall indemnify and hold harmless Provider, its permitted successors and assigns and their respective directors, officers, members, shareholders and employees (collectively, the "Provider Indemnified Parties") from and against any and all Losses incurred by Provider Indemnified Parties to the extent arising from or out of any claim for injury to or death of any Company or loss or damage to property of any Company to the extent arising out of Purchaser's negligence or willful misconduct. 4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. [PURCHASER'S LETTERHEAD]

[Landlord's Address]

Attn: Authorized Representative

Re: Proposed Energy System Installation at [Address of Premises]

Lease dated [ ] between [PURCHASER] and [LANDLORD] (the "Lease")

Dear Authorized Representative:

As has been discussed with you, [PURCHASER] ("Purchaser") and [FFP Entity] ("Provider") have entered into an Energy Services Agreement, pursuant to which Provider will install, finance, operate, and maintain a [solar photovoltaic] system at the above-referenced premises which [PURCHASER] leases from you pursuant to the Lease. By signing below and returning this letter to us, you confirm that:

1. The [solar photovoltaic] system and the renewable energy (including environmental credits and related attributes) produced by the system are personal property, and shall not be considered the property (personal or otherwise) of [LANDLORD] upon installation of the system at the premises. Landlord consents to the filing by Provider of a disclaimer of the System as a fixture of the Premises in the office where real estate records are customarily filed in the jurisdiction of the Premises.
2. Provider or its designee (including finance providers) shall have the right without cost to access the premises in order to install, operate, inspect, maintain, and remove the [solar photovoltaic] [battery storage] system. [LANDLORD] will not charge Purchaser or Provider any rent for such right to access the premises.
3. [LANDLORD] has been advised that the finance providers for the [solar photovoltaic] [battery storage] system have a first priority perfected security interest in the system. Provider and the finance providers for the [solar photovoltaic] [battery storage] system (including any system lessor or other lender) are intended beneficiaries of [LANDLORD]'s agreements in this letter.
4. [LANDLORD] will not take any action inconsistent with the foregoing.

We thank you for your consideration of this opportunity and we look forward to working with you in our environmental campaign to increase the utilization of clean, renewal energy resources.

Very truly yours,

[PURCHASER]

**of General Conditions**

**Certain Agreements for the Benefit of the Financing Parties**

Purchaser acknowledges that Provider will be receiving financing accommodations from one or more Financing Parties and that Provider may sell or assign the System or this Agreement and/or may secure Provider's obligations by, among other collateral, a pledge or collateral assignment of this Agreement and a first security interest in the System. Provider will inform Purchaser in writing of any relevant Financing Party and its role in financing the System. In order to facilitate such necessary sale, conveyance, or financing, and with respect to any such Financing Party, Purchaser agrees as follows:

(a) **Consent to Collateral Assignment.** Purchaser consents to either the assignment, sale or conveyance to a Financing Party or the collateral assignment by Provider to a Financing Party, of Provider's right, title and interest in and to this Agreement.

(b) **Notices of Default.** Purchaser will deliver to the Financing Party, concurrently with delivery thereof to Provider, a copy of each notice of default given by Purchaser under this Agreement, inclusive of a reasonable description of Provider default. No such notice will be effective absent delivery to the Financing Party. Purchaser will not mutually agree with Provider to cancel, modify or terminate this Agreement without the written consent of the Financing Party.

(c) **Rights Upon Event of Default.** Notwithstanding any contrary term of this Agreement:

i. The Financing Party, shall be entitled to exercise, in the place and stead of Provider, any and all rights and remedies of Provider under this Agreement in accordance with the terms of this Agreement and only in the event of Provider's or Purchaser's default. The Financing Party shall also be entitled to exercise all rights and remedies of secured parties generally with respect to this Agreement and the System.

ii. The Financing Party shall have the right, but not the obligation, to pay all sums due under this Agreement and to perform any other act, duty or obligation required of Provider thereunder or cause to be cured any default of Provider thereunder in the time and manner provided by the terms of this Agreement. Nothing herein requires the Financing Party to cure any default of Provider under this Agreement or (unless the Financing Party has succeeded to Provider's interests under this Agreement) to perform any act, duty or obligation of Provider under this Agreement, but Purchaser hereby gives it the option to do so.

iii. Upon the exercise of remedies under its security interest in the System, including any sale thereof by the Financing Party, whether by judicial proceeding or under any power of sale contained therein, or any conveyance from Provider to the Financing Party (or any assignee of the Financing Party) in lieu thereof, the Financing Party shall give notice to Purchaser of the transferee or assignee of this Agreement. Any such exercise of remedies shall not constitute a default under this Agreement.

iv. Upon any default not reasonably susceptible to cure by a Finance Party, including, without limitation, rejection or other termination of this Agreement pursuant to any process undertaken with respect to Provider under the United States Bankruptcy Code, at the request of the Financing Party made within ninety (90) days of such default, Purchaser shall enter into a new agreement with the Financing Party or its designee having the same terms and conditions as this Agreement.

(d) **Right to Cure.**

i. Except for in the event of any Early Termination pursuant to Article 2.2 of the Agreement, Purchaser will not exercise any right to terminate or suspend this Agreement unless it shall have given the Financing Party prior written notice by sending notice to the Financing Party (at the address provided by Provider) of its intent to terminate or suspend this Agreement, specifying the condition giving rise to such right, and the Financing Party shall not have caused to be cured the condition giving rise to the right of termination or suspension within thirty (30) days after such notice or (if longer) the periods provided for in this Agreement. The Parties agree that the cure rights described herein are in addition to and apply and commence following the expiration of any notice and cure period applicable to Provider. The Parties respective obligations will otherwise remain in effect during any cure period; *provided*, if such Provider default reasonably cannot be cured by the Financing Party within such period and the Financing Party commences and continuously pursues cure of such default within such period, such period for cure will be extended for a reasonable period of time under the circumstances, such period not to exceed additional ninety (90) days.

ii. If the Financing Party (including any purchaser or transferee), pursuant to an exercise of remedies by the Financing Party, shall acquire title to or control of Provider's assets and shall, within the time periods described in Sub-section (d)(i). above, cure all defaults under this Agreement existing as of the date of such change in title or control in the manner required by this Agreement and which are capable of cure by a third Company or entity, then such Company or entity shall no longer be in default under this Agreement, and this Agreement shall continue in full force and effect.
