Resolution Number: _____

4/5 Vote Required

**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California,
Authorizing The Director of Regional Parks to negotiate a construction contract subsequent to
an open bid process where no bids were received**

Whereas, the Regional Parks Department conducted a six (6) week public bid process for said construction project, including a 10-day extension, and on the scheduled bid opening date of May 30th, 2019 zero bids were received.

Whereas, section 22038 (c) of the public contracting code allows a public agency to either perform the work by its own employees or negotiate a contract directly with a contractor for the project rather than re-bidding the project upon a 4/5ths vote of the Board of Supervisors.

Now, Therefore, Be It Resolved that the Director of Regional Parks is hereby authorized to directly negotiate a contract for the construction of the Taylor Mountain Natural Play Area project.
