Resolution of the Board of Directors of the Sonoma County Agricultural Preservation and Open Space District, Making Certain Findings and Authorizing and Directing the General Manager to Execute a Transfer Agreement; Authorizing the President to Execute a Grant Deed to Convey the Carrington Ranch Property to the County of Sonoma; Authorizing the President to Execute and Accept a Conservation Easement and a Recreation Conservation Covenant; Consenting to the Recordation of an Irrevocable Offer; Dedicating the Conservation Easement to Open Space; Directing the General Manager to File of a Notice of Exemption under C.E.Q.A.; and Authorizing All Other Actions Necessary to Complete the Transfer.

Whereas, the District owns approximately 335 acres of land located along the Sonoma County coast near Bodega Bay, CA (APNs: 101-040-005, -006, -007, & -008) known as the Carrington Coast Ranch (“Carrington” or “the Property”); and

Whereas, the District’s General Manager has negotiated and is recommending the transfer of the fee interest in the Property to the County of Sonoma to be managed as a public park and open space preserve subject to a Conservation Easement, a Recreation Covenant, an Irrevocable Offer of Dedication, and other specified conditions (“the Project”); and

Whereas, as a component of the Project, the District’s General Manager is recommending an allocation of funds for use by the County of Sonoma of up to a total of \$1,350,000 over a period of three years for reimbursement of the County’s costs of providing initial public access, operations and management of the Property; and

Whereas, the Project fulfills policies of the District’s acquisition plan, Connecting Communities and the Land in four categories: Farms and Ranches; Greenbelts and Scenic Hillsides; Water, Wildlife and Natural Areas; and Recreation and Education, including policies to protect scenic lands and prominent natural features that are visible from highly traveled roads and highways and that contribute to the county’s rural character and sense of place; preserve natural systems and lands

that support diverse biological resources; protect habitats important for the conservation and restoration of rare, threatened or endangered species including serpentine habitats; protect lands that provide viable habitat linkages for wildlife; protect agricultural lands that are important to local agricultural heritage, and facilitate the continued agricultural use of farms and ranches; and partner to expand parks and preserves that protect the county's unique natural habitats, scenic areas and other open space values of regional importance, and ensure that District-protected lands are managed to protect conservation values while allowing compatible public recreational and educational uses; and

Whereas, that by its Resolution No. 2020-____ dated May 21, 2020, the Sonoma County Open Space Fiscal Oversight Commission determined that it can be reasonably concluded that the cumulative value of the Conservation Easement and Recreation Covenant to be received by the District is not less than the fair market value of the restricted fee interest the District is conveying to the County;

Now, Therefore, Be It Resolved that this Board of Directors hereby finds, determines, declares and orders as follows:

1. *Truth of Recitals.* The foregoing recitations are true and correct.
2. *General Plan Consistency.* The Project furthers goals in the Land Use and Open Space and Resource Conservation Elements of the 2020 Sonoma County General Plan in that it preserves important biotic resource areas and scenic features with consistent uses and intensities; preserves roadside landscapes that have a high visual quality as they contribute to the living environment of local residents and to the county's tourism economy; protects and enhances the county's natural habitats and diverse plant and animal communities; and helps to establish a countywide park and trail system that meets future recreational needs of the county's residents.
3. *Expenditure Plan Consistency.* The Project is consistent with the Expenditure Plan approved by the voters of Sonoma County in 2006 in Measure F.
4. *Transfer Agreement.* The District's General Manager is authorized to execute the Transfer Agreement by and between the County of Sonoma and the District in the form on file with the Clerk.
