**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California, Issuing
A Permit and Permit Extensions Pursuant to Section VIII Of Ordinance No. 3836R Of The
County Of Sonoma To Steven P. Campbell**

Whereas, Section VIII of Ordinance No. 3836 R requires that an application for a permit be filed with the Board of Supervisors prior to the performance of certain prescribed work or operations in a river, stream or channel which may decrease the clarity of a river or stream; and

Whereas, an application was filed by Steve Campbell for an Ordinance No. 3836 permit for construction work on riparian property, the nature of which may decrease the clarity of the waters of Grasshopper Creek, at the Permit and Resource Management Department in the manner prescribed by Resolution No. 94-1053 of the Board of Supervisors; and

Whereas, the Board of Supervisors has reviewed said application; and

Whereas, the work requires greater than 30 days to complete, as described in the application and as demonstrated in past years; and

Whereas, the requirements of Section VIII of the Sonoma County Code include a restriction to perform permitted activities within a period of 30 days, except that additional 30-day permit periods may be granted by the Board of Supervisors, and a requirement that all approval votes be by a 4/5th majority of the Board of Supervisors.

Now, Therefore, Be It Resolved

1. That the Board of Supervisors finds and determines that the work and operations described on said application is necessary and that the work and operations will be performed in a manner which will not unreasonably decrease the clarity of the waters of the rivers or streams of the County of Sonoma;
2. That a permit is hereby granted to applicant to perform the work and operations described in the aforementioned application;
3. That permit extensions are hereby granted to the applicant to perform the work described herein for additional 30-day periods commencing on September 3, 2020 subject to the Director of PRMD confirming the need for the permit extension immediately prior to the expiration of the permit period;
4. That the work and operations shall be performed in the manner described in the application and in accordance with the terms and conditions of any applicable agreement required by Section 1601 et seq. of the California Fish and Wildlife Code, any applicable waste discharge permit issued pursuant to the Porter-Cologne Water Quality Control Act (commencing at Section 13000 of the California Water Code), and Chapter 26A of the Sonoma County Code and any plans adopted pursuant thereto. This project is exempt from CEQA review because it is an emergency repair.

Be It Further Resolved that the permit is hereby granted to the applicant pursuant to Section 25526.6 of the Government Code.
