Community Outreach

- Identifying outreach needs, stakeholders, and opportunities is ongoing
- Preliminary outreach plans
 - Public town hall meetings (digital and in-person when safe)
 - Digital survey (Metroquest)
 - Targeted GIS mapping
 - Meetings with local advisory groups and industry stakeholders
- Outreach scope will have a significant impact on staff resources and complexity of implementation

Discussion

- Data inquiries are ongoing
- Cap does not impact permitted operating vacation rentals, hosted rentals, or bed and breakfasts
- Capacity within the cap is expected to accommodate recent permitting trends
 - ▣ Extension of the cap prevents a surge in applications while staff conducts outreach and develops options
- Staff recommends extension up to a maximum of 22 months and 15 days (Until August 6, 2022)
