NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

AGREEMENT

1. Scope of Services.

1.1. Consultant’s Specified Services.

Consultant shall perform the services described in Exhibit “A,” attached hereto and incorporated herein by this reference (hereinafter “Scope of Work”), and within the times or by the dates provided for in Exhibit “A” and pursuant to Article 7, Prosecution of Work. In the event of a conflict between the body of this Agreement and Exhibit “A”, the provisions in the body of this Agreement shall control.

1.2. Cooperation With Commission. Consultant shall cooperate with Commission and Commission staff in the performance of all work hereunder.

1.3. Performance Standard. Consultant shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Consultant’s profession. Commission has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Consultant’s work by Commission

shall not operate as a waiver or release. If Commission determines that any of Consultant's work is not in accordance with such level of competency and standard of care, Commission, in its sole discretion, shall have the right to do any or all of the following: (a) require Consultant to meet with Commission to review the quality of the work and resolve matters of concern; (b) require Consultant to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4; or (d) pursue any and all other remedies at law or in equity.

1.4. Assigned Personnel.

- a. Consultant shall assign only competent personnel to perform work hereunder. In the event that at any time Commission, in its sole discretion, desires the removal of any person or persons assigned by Consultant to perform work hereunder, Consultant shall remove such person or persons immediately upon receiving written notice from Commission.
- b. Any and all persons identified in this Agreement or any exhibit hereto as the project manager, project team, or other professional performing work hereunder are deemed by Commission to be key personnel whose services were a material inducement to Commission to enter into this Agreement, and without whose services Commission would not have entered into this Agreement. Consultant shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of Commission.
- c. In the event that any of Consultant's personnel assigned to perform services under this Agreement become unavailable due to resignation, sickness or other factors outside of Consultant's control, Consultant shall be responsible for timely provision of adequately qualified replacements.

2. Payment.

For all services and incidental costs required hereunder, Consultant shall be paid on a time and material/expense basis in accordance with the budget set forth in Exhibit __, provided, however, that total payments to Consultant shall not exceed \$_____ without the prior written approval of Commission. Consultant shall submit its bills in arrears on a monthly basis in a form approved by Commission. The bills shall show or include: (i) the task(s) performed; (ii) the time in quarter hours devoted to the task(s); (iii) the hourly rate or rates of the persons performing the task(s); and (iv) copies of receipts for reimbursable materials/expenses, if any. Expenses not expressly authorized by the Agreement shall not be reimbursed.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of Commission business after presentation of an invoice in a form approved by the Commission for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by the Commission.

Pursuant to California Revenue and Taxation code (R&TC) Section 18662, the Commission shall withhold seven percent of the income paid to Consultant for services performed within the

State of California under this agreement, for payment and reporting to the California Franchise Tax Board, if Consultant does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or Partnership with a permanent place of business in California, (3) a corporation/LLC or Partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Consultant does not qualify, Commission requires that a completed and signed Form 587 be provided by the Consultant in order for payments to be made. If Consultant is qualified, then the Commission requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, the Consultant agrees to promptly notify the Commission of any changes in the facts. Forms should be sent to the Commission pursuant to Article 12. To reduce the amount withheld, Consultant has the option to provide Commission with either a full or partial waiver from the State of California.

4.3. Delivery of Work Product and Final Payment Upon Termination.

In the event of termination, Consultant, within 14 days following the date of termination, shall deliver to Commission all reports, original drawings, graphics, plans, studies, and other data or documents, in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, and other agents in connection with this Agreement and shall submit to Commission an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4. Payment Upon Termination. Upon termination of this Agreement by Commission, Consultant shall be entitled to receive as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Consultant bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Consultant shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if Commission terminates the Agreement for cause pursuant to Section 4.2, Commission shall deduct from such amount the amount of damage, if any, sustained by Commission by virtue of the breach of the Agreement by Consultant.

4.5. Authority to Terminate. The Commission's Executive Director, in consultation with County Counsel, has the authority to terminate this Agreement on behalf of the Commission.

5. Indemnification. Consultant agrees to accept all responsibility for loss or damage to any person or entity, including Commission, and to indemnify, hold harmless, and release Commission and the County of Sonoma, its officers, agents, and employees, from and against

any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Consultant, that arise out of, pertain to, or relate to Consultant's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Consultant agrees to provide a complete defense for any claim or action brought against Commission based upon a claim relating to such Consultant's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Consultant's obligations under this Section apply whether or not there is concurrent or contributory negligence on Commission's part, but to the extent required by law, excluding liability due to Commission's conduct. Commission shall have the right to select its legal counsel at Consultant's expense, subject to Consultant's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Consultant or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance. With respect to performance of work under this Agreement, Consultant shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain, insurance as described in Exhibit C, which is attached hereto and incorporated herein by this reference.

7. Prosecution of Work. The execution of this Agreement shall constitute Consultant's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Consultant's performance of this Agreement shall be extended by a number of days equal to the number of days Consultant has been delayed.

8. Extra or Changed Work. Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Changes which do not exceed the delegated signature authority of the Commission may be executed by the Executive Director in a form approved by County Counsel. The Board of Commissioners must authorize all other extra or changed work which exceeds the delegated signature authority of the Department Head. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, Commission personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Consultant to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Consultant shall be entitled to no compensation whatsoever for the performance of such work. Consultant further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the Commission.

9.1. Standards. All consultants responsible for preparing content intended for use or publication on a Commission-managed or Commission-funded web site must comply with

applicable Federal accessibility standards established by 36 C.F.R. Section 1194, pursuant to Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794(d)), and the County's Web Site Accessibility Policy located at <http://webstandards.sonoma-county.org>.

9.2. Certification. Consultants must complete the Document Accessibility Certification Form attached hereto as Exhibit ____ which shall describe how all deliverable documents were assessed for accessibility (e.g. Microsoft Word accessibility check; Adobe Acrobat accessibility check, or other commonly accepted compliance check).

9.3. Alternate Format. When it is strictly impossible due to the unavailability of technologies required to produce an accessible document, Consultant shall identify the anticipated accessibility deficiency prior to commencement of any work to produce such deliverables. Consultant agrees to cooperate with Commission staff in the development of alternate document formats to maximize the facilitative features of the impacted document(s), e.g. embedding the document with alt-tags that describe complex data/tables.

9.4. Noncompliant Materials; Obligation to Cure. Remediation of any materials that do not comply with County's Web Site Accessibility Policy shall be the responsibility of Consultant. If Commission and/or County, in its sole and absolute discretion, determines that any deliverable intended for use or publication on any Commission-managed or Commission-funded Web site does not comply with County Accessibility Standards, Commission and/or County will promptly inform Consultant in writing. Upon such notice, Consultant shall, without charge to Commission and/or County, repair or replace the non-compliant materials within such period of time as specified by Commission and/or County in writing. If the required repair or replacement is not completed within the time specified, Commission and/or County shall have the right to do any or all of the following, without prejudice to Commission and/or County's right to pursue any and all other remedies at law or in equity:

- a. Cancel any delivery or task order;
- b. Terminate this Agreement pursuant to the provisions of Article 4; and/or
- c. In the case of custom Electronic Information Technology (EIT) developed by Consultant for Commission, Commission may have any necessary changes or repairs performed by itself or by another contractor. In such event, contractor shall be liable for all expenses incurred by Commission in connection with such changes or repairs.

9.5. Commission's Rights Reserved. Notwithstanding the foregoing, Commission may accept deliverables that are not strictly compliant with County Accessibility Standards if Commission, in its sole and absolute discretion, determines that acceptance of such products or services is in Commission's best interest.

10. Representations of Consultant.

10.1. Standard of Care. Commission has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees that all its work will be performed and that its operations shall be conducted in accordance

In case Commission is audited for compliance regarding any withholding or other applicable taxes, Consultant agrees to furnish Commission with proof of payment of taxes on these earnings.

10.5. Records Maintenance. Consultant shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to Commission for inspection at any reasonable time. Consultant shall maintain such records for a period of four (4) years following completion of work hereunder.

10.6. Conflict of Interest. Consultant covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Consultant further covenants that in the performance of this Agreement no person having any such interests shall be employed. In addition, if requested to do so by Commission, Consultant shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with Commission disclosing Consultant's or such other person's financial interests.

All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, and other agents in connection with this Agreement shall be the property of Commission. Commission shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Such documents shall be and will remain the property of Commission without restriction or limitation. Consultant may retain copies of the above- described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of Commission.

10.14. Authority. The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Consultant.

11. Demand for Assurance. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits Commission's right to terminate this Agreement pursuant to Article 4.

12. Assignment and Delegation. Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

Background

The US Department of Housing and Urban Development (HUD) provides Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and Emergency Shelter Grant (ESG) funding to the Commission on behalf of the County of Sonoma, the recipient, to administer programs to assist low- and moderate-income individuals and households throughout Sonoma County. Through an annual funding cycle, the Commission advertises the availability of the funds and receives proposals from non-profit organizations and units of local government. The Commission makes recommendations to the Sonoma County Board of Supervisors for funding approval.

All projects or programs approved for funding must meet the requirements of the National Environmental Policy Act and 24 CFR Part 58, HUD Environmental Review Regulations, before the Commission may enter into an agreement to provide funding to the subrecipient or another awardee.

Services

Consultant shall determine the appropriate level of environmental review required for projects approved for HUD funding.

Consultant shall compile all information necessary to complete the proper Environmental Review Record, including consultations with the party receiving the federal funding, as well as other governmental agencies and private enterprises as may be required.

Consultant shall submit to Commission a written, complete, and comprehensive Environmental Review Record using the format prescribed by HUD at 24 CFR 58.

Schedule

Consultant may proceed with completion of the Environmental Review Record upon Commission's approval of the timeline submitted by the Consultant and Commission's issuance of a written Notice to Proceed specifying the authorized activities, the time frame for completion of the work and the approved cost. Consultant, through dialogue with the entity receiving funds for the project and with Commission staff, shall determine the projected start date for the project and complete the Environmental Review Record at least thirty days prior to the commencement of the project. Any project delays caused by the action or inaction of the Consultant shall be considered a failure to meet the obligations of this Agreement and shall be grounds for Termination as described in Section 4.

Additional Services

As Commission may authorize from time to time in a written Notice to Proceed, Consultant shall perform specific additional services and shall prepare and submit a written report upon completion of the authorized services. Such additional services may include, but are not limited

to, Phase 1 and Phase 2 soil contamination reports, performance of the 8-Step Decision Making Process for projects located in special flood hazard areas, and the preparation of an Environmental Impact Statement.

If additional services are requested, Consultant shall provide Commission a written proposal describing the scope of the services, the timeline for completion of the work and the cost to complete the additional services. Consultant may commence these services upon receipt of an amended written Notice to Proceed.
