RE: Appeal of BZA award of use permit for file no. UPC17-0013, Pool Ridge Farms,  
LLC cannabis cultivation permit

Dear Board of Supervisors,

We are withdrawing our appeal of the Board of Zoning Adjustment's decision to grant a use permit to Pool Ridge Farms, LLC (UPC17-0013) for cannabis cultivation.

We were able to get our well tested for yield, and it is producing enough for our needs.

At this time, we are not concerned that the cannabis farm at 2425 Pool Ridge is drawing down our well. We do have concerns about the sustainability of the farm regarding water use, but that is not sufficient to go forward with an appeal.

And in light of the recent fires, we feel that Sonoma County has other more urgent matters to attend to.

Please contact us if you have any questions,

Sincerely,

Kristin Leimkuhler & Jeffrey Wilk
