Products and Services

SKU	Product/Service Name	Quantity	UOM	Term	Subscription Fees
SCN-ACC-S16	Cisco WebEx Connector (2501-25000) Users	1	Each	Effective Date to February 3, 2022	\$10,000.00
The WebEx connector allows management of WebEx virtual training sessions completely from Saba - Creation, Date/Time management, Instructor assignment, Registration, and Attendance.					
CLD-SPC-350	Saba Learning	400	User	Effective Date to February 3, 2022	\$4,400.00
Saba Learning includes learning capabilities, basic testing and assessment authoring, and content management features. Additionally customers have access to the basic organizational charting features within Saba Cloud, and the available social features (blogs, chat, discussion forums, dynamic network analysis, groups, ideas, resources, collections, and workspaces) and The Intelligent Mentor (TIM) feature. Price is per active user. Access to create Saba Meeting events is also included but the number of Concurrent User licenses (required to support concurrent attendance) is limited.					
CLD-SPC-400	Saba Extended Enterprise Learning	500	User	Effective Date to February 3, 2022	\$3,500.00
Saba Cloud Extended Enterprise Learning Package is designed for external learners outside the organization and includes Saba Learning capabilities, such as catalog, microlearning, certifications, and curriculum, basic testing and assessment authoring, and content management features. Additionally customers have access to the basic organizational charting features within Saba Cloud, and the available social features (blogs, chat, discussion forums, dynamic network analysis, groups, ideas, resources, collections, and workspaces) and The Intelligent Mentor (TIM) feature. Price is per active user. Access to create Saba Meeting events is also included but the number of Concurrent User licenses (required to support concurrent attendance) is limited. External users must be created as External users in the system and are defined as customers, partners, franchisee and franchisee employees, and any other user otherwise not employed or engaged by the organization. Ecommerce features are sold separately.					

Change to Subscription Fees^{Note} \$17,900.00

Note - The amount shown as Change to Subscription Fees represents the balance due till the Subscription End Date shown based on the assumed Start Date of February 4, 2021. Invoices for any partial year will be pro-rated based on the actual Order Effective Date and subscription fees are invoiced annually in advance. For clarity, however, the foregoing does not apply to Saba TalentSpace™ Annual Consulting Services for which fees are not pro-rated for partial years.

Terms and Conditions:

Customer/Client acknowledges that the above products/services being added will renew along with Customer's/Client's other products/services at the next anniversary of Customer's/Client's terms in accordance with the renewal provisions set out in the existing agreement between the parties.

The above pricing shall apply provided this Order is executed and returned by Customer/Client prior to 5 p.m. local time on February 15, 2021.

Customer/Client acknowledges that this Order is not reliant or contingent upon the delivery, or promise of delivery, of any future functionality, features, or products.

This Order and the products and services listed above are subject to the existing agreement in place between the parties.

For Customer's internal allocation purposes only, the products set out above are designated as follows:

CLD-SPC-350 - internal users/employees

CLD-SPC-400 - external users/non-employees
