Title:

Parks for All Measure M - Annual Report 2019-2020

Recommended Action:

Receive the findings and conclusions from the Citizens Oversight Committee on "Parks for All" Measure M Annual Report 2019-2020

Executive Summary:

The Citizen Oversight Committee for the "Parks for All" Measure M is conveying their findings and conclusions to the Board of Supervisors and to all the City Councils that the first annual report for this ten-year measure is complete and that it meets the intent of the ordinance.

Discussion:

"Parks for All" Measure M passed in November 2018 authorizing a one-eighth cent special use tax county-wide to support county and city parks. Per Ordinance #6238 the Board of Supervisors established a Citizens Oversight Committee to monitor the implementation of this measure. Per the ordinance, the committee shall receive an annual report no later than six months after the conclusion of the fiscal year. The committee received the first annual report in August, and then reviewed the final draft on December 8th. The committee has adopted a resolution finding that the 2019-2020 Annual Report meets the intent of the measure and conveys to the public how funds were spent to support parks, and what fund balances remain to spend on parks in future years.

The Annual Report is also a tool for communicating to the public the impact of these dollars in providing essential park services to the community.
