

## General Services – Los Guilicos Incident Activity Update

Spanning January through November 2020, the metrics below detail security needs (as reported by General Services staff, retained security providers, and from the operator of the Los Guilicos Village) on the Los Guilicos Campus. Notable staff responsibilities are as follows:

- Check-in individuals entering the premises and deny entry if not authorized
- Direct visitors to appropriate locations
- Patrol premises observing for vandalism and forced entry
- Investigate reported incidents involving visible smoke on the premises

### Cumulative Incident Totals: 323

January	23	July	4
February	36	August	2
March	13	September	2
April	28	October	129
May	32	November	45
June	9
