The County Center Ad Hoc worked with staff to assess qualitative benefits and challenges of each potential site for the new County Government Center, developing materials to aid the Board in making their preferred site selection on July 27, 2021. In September, the Ad Hoc toured two buildings in San Francisco to preview examples of workspace options at different square footage per employee configurations.

The Emergency Medical Services Ad Hoc reviewed the comments received from the California State of California Emergency Medical Services Agency regarding the Exclusive Operating Area Request for Proposal approved by the Board in April.

The Fire Services Ad Hoc initiated negotiation proceedings with key fire agency stakeholders based on the preliminary terms approved by the Board on July 20, 2021. The Fire Ad Hoc also coordinated with the Fire Services Work Group on the outreach plan for a potential June 2022 sales tax measure.

The Measure O Ad Hoc presented and conducted a planning and implementation workshop with the Board of Supervisors on August 31, 2021 to designate funding in an expenditure plan for new/redesigned programs.
