

Marketing Plan

Chanate – Sonoma County
November 9, 2021

Update as of November 5, 2021

Ten-X Marketing Tactics

Ten-X marketing leverages precision-targeting technology to reach the right buyers, create a competitive marketplace and increase the probability of trade.

PROPERTY WEBPAGE

Each asset on the platform receives its own property detail page (PDP)

PROFESSIONAL PHOTO/VIDEO

Professional photography and drone videography is captured for all assets on our platform

Matterport creates a realistic digital twin, enabling buyers and stakeholders to explore the interior of a property with ease

EMAIL MARKETING

Ten-X executes up to five different email campaigns to market assets on the platform

DIRECT MAIL

Ten-X executes up to three separate direct mail campaigns and targets potential buyers from multiple internal databases

SOCIAL MEDIA

On average, an asset promoted via organic social reaches anywhere from 10K to 95K users.

DIGITAL PROSPECTING & RETARGETING

On average, those assets showcased in prospecting campaigns can generate up to 600K impressions and retargeting can produce 1,500+ additional property page views

ONE-TO-ONE OUTREACH

Ten-X calls potential buyers by tapping into our vault visitors to the subject asset as well as from previous similar assets

Digital Marketing

Chanate – Sonoma County

Digital Advertising

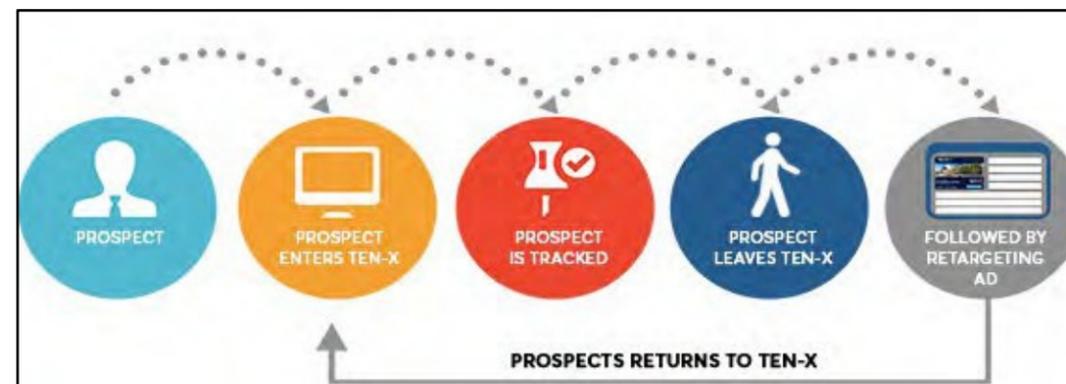

Digital prospecting utilizes commercial real estate search terms on Google and allows us to reach unknown buyers who may not have seen the asset through other marketing channels.

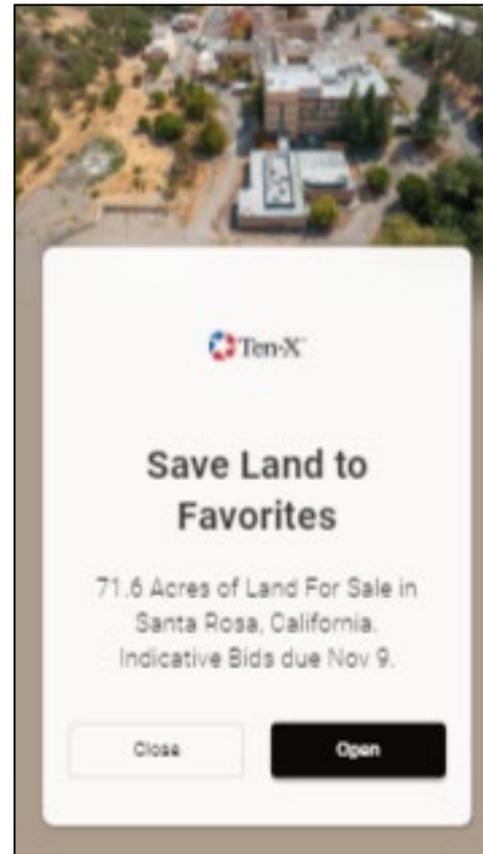

Google Display Prospecting – started 10/1

Digital retargeting provides precise targeting to buyers who have already shown interest in similar assets on the Ten-X platform. It allows us to increase our market reach to engaged buyers.

Google Display Retargeting – started 10/1

Ten-X Social Advertising

Utilizing social media allows us to expand our reach and provide a platform for our communities to collaborate, drive interest and share exciting details about the properties under our strategic accounts umbrella.

The reach for social sponsored asset-specific posts on Google, Facebook, Instagram & LinkedIn is estimated at 300,000.
