Fee Waiver - The Bird Rescue Center

**Recommended Action:**  
Approve Fee Waiver of \$18,495.01 to The Bird Rescue Center for a Use Permit. (Fifth District)

**Executive Summary:**  
The Bird Rescue Center, previously housed on County-owned property on the Chanate Campus and displaced once the County sold the property to a private developer, has secured a long-term lease of approximately 5 acres of a 46+ acre parcel located at 3184 Guerneville Road to create a new facility.

**Discussion:**  
For almost 50 years, The Bird Rescue Center, a non-profit organization, has been serving Sonoma County and its communities. The Bird Rescue Center is the only wildlife organization in Sonoma County dedicated to all species of native wild birds. Previously housed on County-owned property on the Chanate Campus and displaced once the County sold the property to a private developer, The Bird Rescue Center has secured a long-term lease to create a new facility including a new avian rehabilitation and education center and aviaries, and a building dedicated to caring for resident education birds. The proposed facility will be open to the public every day from 9am-4pm, and staff will be on-site 8am-5pm September-April, and 7am-8pm May-August. 32 permanent staff positions and approximately 15 volunteer staff positions are proposed. The Bird Rescue Center handles approximately 3,000 birds of over 150 different species during the course of a year.
