Discussion:

The Great Redwood Trail Agency (GRTA), a local agency established by the Great Redwood Trail Agency Act, Government Code § 93000 et seq., to develop and manage the Great Redwood Trail and discharge the duties of a rail common carrier before the Surface Transportation Board. The GRTA's service area is the former NCRA rail corridor in Mendocino, Trinity, and Humboldt Counties. The rail corridor in Sonoma and Marin Counties was transferred to Sonoma - Marin Area Rail Transit (SMART), who will be responsible for rail-with-trail development for the Southern Segment of the Great Redwood Trail. The GRTA replaced the North Coast Railroad Authority (NCRA) in 2021.

The GRTA is governed by a nine-member Board of Directors composed of eight representatives (two per

county) of Sonoma, Mendocino, Humbolt, and Marin counties and one representative of the cities served by the rail line. Directors serve two-year terms and until their successors have qualified. Dr. Caryl Hart, Ph.D. is an attorney and expert in public lands and park policy, with over 25 years of advocacy, scholarship, and administrative experience. She is currently Vice-Chair of the California Coastal Commission, where she has served since 2019. Dr. Hart has served the GRTA since her initial appointment in December of 2017 and remains dedicated to the work of the agency. This item recommends her reappointment to serve a fourth term of service.
