**Title:**  
Consolidation of November 3, 2020, Presidential General Election

### Recommended Action:

Adopt the resolution authorizing consolidation of all jurisdictions that have submitted a request for consolidation, as required by Elections Code §10400, and have measures to be placed before the voters or sufficient nominees to require elections to be held on November 3, 2020.

### Executive Summary:

The regularly scheduled General Election is set to be held on November 3, 2020. More than 75 local jurisdictions and agencies have called an election in their jurisdictions for the same date and have requested consolidation as authorized by state law. Elections Code §10400 provides that when two or more elections for local jurisdictions are called on the same day, they may be consolidated upon the order of the governing body.

### Discussion:

Costs of the elections are shared between the entities involved pursuant to Elections Code §10416. The full costs of conducting these elections will be billed to the involved jurisdictions following the election.

Copies of resolutions received in the Registrar of Voters Office from local jurisdictions requesting consolidation with the November 3, 2020, Presidential General Election, and having at least one measure or contest appearing on the ballot are on file with the Clerk of the Board.
