**Title:**  
Establishment of the North Valley Municipal Advisory Council

### Recommended Action:

Adopt a Resolution to establish the North Valley Municipal Advisory Council, boundaries, and rules and procedures for governance as indicated in the North Valley Municipal Advisory Council Bylaws, and the Sonoma County Municipal Advisory Council Policies & Procedures. (First District)

### Executive Summary:

Unincorporated segments of the County have become increasingly municipal in nature, and now require an effective mechanism to communicate their needs to the Sonoma County Board of Supervisors (Board). Members of the Board currently work with multiple Councils in their districts, including the Sonoma Valley Citizens Advisory Commission in the First District, and the Dry Creek Valley Citizens Advisory Council and Mark West Area Citizens Advisory Council in the Fourth District, and the Lower Russian River and Sonoma County Coast Municipal Advisory Councils in the Fifth District.

If approved, this item will establish the North Valley Municipal Advisory Council in the First District, to provide recommendations on matters of local concern, such as transportation and community preparedness. After the Council is established and the First District Supervisor selects final nominations to the Council, the First District will bring a Board item to appoint members to the Council.

Municipal Advisory Councils are authorized by statute (Government Code section 31010) and can be created by a resolution of County Board of Supervisors.

### Discussion:

### **North Valley Municipal Advisory Council: Purpose**

The North Valley Municipal Advisory Council will represent the best interests of the entire community while acting as a bridge for communication between the County and local residents and businesses on the following topics for the Springs Area, when they are referred to the Municipal Advisory Council through the proper channels described in the Bylaws:

- a. Prioritization of transportation, transit, traffic calming, bicycle and pedestrian improvements
- b. Health and human safety-net services, including homelessness and housing
- c. Community projects such as art, clean ups and vegetation planting
- d. Fire services and community preparedness
- e. Additional topics as requested by the District Supervisor

### **North Valley Municipal Advisory Council: History and Timing**

In October of 2018, the First District Supervisor convened a group of stakeholders to provide input on the creation of a Municipal Advisory Council for the North Valley area, which includes Glen Ellen, Kenwood and Eldridge. Over the following months, the First District coordinated with the County Administrator's Office to develop bylaws for the Springs Municipal Advisory Council. In June of 2019, the First District held a community meeting to provide information and receive feedback on the proposed North Valley Municipal Advisory Council, and also conducted a survey to choose the name of the Municipal Advisory Council.

If the Board of Supervisors establishes the North Valley Municipal Advisory Council in September 2019, the Board may approve Municipal Advisory Council members in late 2019 or early 2020, and the Municipal Advisory Council may begin meeting February, 2020.

### **Municipal Advisory Councils: Changes to Template Bylaws**

In 2017 the Board adopted the Sonoma County Municipal Advisory Council Policies & Procedures, providing guidance for the establishment of future Municipal Advisory Councils in unincorporated Sonoma County. The guidelines were carefully considered in the development of the North Valley Municipal Advisory Council. In order to ensure consistency across Sonoma County's Municipal Advisory Councils, the intent and scope of the North Valley Municipal Advisory Council is consistent with the guidelines.

The proposed Bylaws for the North Valley Municipal Advisory Councils include minor adjustments to the templates approved by the Board in 2017. The District Supervisor selected these changes to increase the effectivity of Municipal Advisory Councils in the unique regions of the First District. Substantive changes to the bylaws include:

- A process to select Municipal Advisory Council member nominations that encourages well rounded representation on the North Valley Municipal Advisory Council.
- A procedure for Alternates to vote when a Municipal Advisory Council members is absent or recuses themselves from a meeting.
- Guidance on the procedure to make requests of County staff.
