**Title:**  
Jail Booking Fees Effective July 1, 2019

### Recommended Actions:

Adopt a resolution setting the contingent Criminal Justice Administrative Fee (Jail Booking Fee) at \$204.17 per applicable booking, effective July 1, 2019. This fee is only billable if the state does not fully fund the booking fee allocation through Public Safety Realignment, and then would be paid by arresting agencies.

### Executive Summary:

Government Code Section 29551 authorizes the County to collect a Criminal Justice Administrative Fee, or jail booking fee, only if state Public Safety Realignment revenue allocated for this purpose is less than \$35 million statewide (Sonoma County's share is \$791,066). While the County anticipates that statewide Public Safety Realignment funds budgeted in Fiscal Year 2019-20 will meet the \$35 million threshold, based on the January 2019 Governor's Proposed Budget, approving this fee would allow the county to bill arresting agencies for the difference based on the percent of the shortfall. Consequently, the Board of Supervisors is requested to increase the Jail Booking Fee from \$195.00 to \$204.17 (an increase of \$9.17, or 4.7%, over FY 2018-19).

### Discussion:

#### Booking Fee Adjustment Calculation

Assembly Bill 1805 amended Government Code Section 29550, and added GC Sections 29551 and 29552, to address the costs associated with booking arrestees of other agencies into county jails. Pursuant to this new legislation, if the state appropriates (in FY 2007-08 and annually thereafter) \$35 million in the Local Law Enforcement Services Account-Local Revenue Fund 2011 to directly fund counties for the cost of jail bookings, a county may not levy a booking fee. In accordance with GC Section 29552, Sonoma County's apportionment of the total annual \$35 million budgeted statewide is \$791,066. However, if in subsequent years, less than the

full \$35 million is allocated in the state budget for all counties, local arresting agencies would be required to pay the portion of the booking fee equal to the proportion that the appropriated amount is less than \$35 million, as long as the Board maintains and updates this fee.

The Jail Booking Fee is statutorily set with annual increases limited to the California Consumer Price Index, plus 1.0%. This methodology has been in place since 2006, and is established in Government Code Section 29551. The California Department of Finance aggregates Bureau of Labor Statistics data and publishes annual Consumer Price Index increases for the entire state. Based on the state’s published data, the year-over-year CPI increase from January 2018 through December 2018 was 3.7%. Because it includes the entire state, this calculation differs from the San Francisco Bay Area CPI of 4.5% referenced elsewhere in the fee packet. The CPI data set can be found on the Department of Finance website (<http://www.dof.ca.gov/Forecasting/Economics/Indicators/Inflation/>) and is also provided as an attachment to this report. After factoring in the additional 1.0% increase allowed above the 3.7% CPI inflation, the overall proposed fee increase equates to 4.7%.
