Title:

Amendment to Outside Liability Counsel Agreements

Recommended Action:

Authorize County Counsel to execute amendments to three outside liability counsel agreements, extending the term through December 31, 2025, with contract maximum limits not to exceed \$1,500,000, with law firms (1) Beach Law Group LLP, (2) Ferguson, Praet & Sherman, APC, (3) Griens. (4/5th Vote Required)

Executive Summary:

This requested Board action authorizes County Counsel and Risk to execute amendments to agreements for outside liability counsel with three law firms who were selected through Request for Qualifications (RFQ) processes due to the specialized nature of their work.

Discussion:

The County of Sonoma has been self-insured for general and automobile liability since 1986. County Counsel is statutorily mandated to defend civil lawsuits brought against the County and its officers and employees. From time to time, the County has retained various outside defense firms to represent the County in tort claims and civil litigation filed in State and Federal Courts. Outside law firms are retained only when County Counsel either does not have the capacity, lacks the expertise to handle these lawsuits in-house, or has an ethical conflict. These law firms are assigned cases based upon their ability and specific experience with public entity defense. Board Resolution No. 85-2577 delegates responsibility for the oversight and management of civil litigation to County Counsel in consultation with the Risk Manager and both departments are responsible for the coordination and oversight of the work performed by outside counsel. Human Resources-Risk

Management is responsible for the administration of all tort claims and litigation and County Counsel provides legal oversight and advice.

This is an amendment to the initial agreements with the law firms, to provide legal services, as needed, to represent the County in tort claims and civil litigation. The firms were selected based on competitive processes conducted by County Counsel and the HR Risk Management Division. The initial agreements were executed under County Counsel’s delegated purchasing authority of \$50,000 per contract.

The agreements proposed in this report are all fee for service contracts with no minimum or maximum amount of work guaranteed to the firms. The agreements also contain a termination clause that allows the County to terminate the agreements at any time. Actual costs will depend on future litigation or specific projects assigned to each firm. All assignments are reviewed by County Counsel and Human Resources-Risk Management, the law firm’s proposed legal strategy is reviewed by County Counsel and Human Resources-Risk Management, and all legal services invoices are approved by the Liability Manager, who tracks all work and expenses of each firm. The amended contract term will expire on December 31, 2025, with contract maximum limits not to exceed \$1,500,000. Depending upon the number of case assignments to each firm and the size and scope of each case assigned, this limit may never be reached, or may require a contract amendment, which would be presented to your Board for authorization.

The County Counsel’s Office and the Human Resources Department intend to conduct an RFP process for outside counsel tort defense legal services prior to the expiration of the amended agreements in 2025.
