Title:
Adopt a Resolution to Accept funding from the Victims of Crime Act (VOCA) XE Grant

Recommended Action:
Adopt a resolution authorizing the Director of the Human Services Department to accept grant funding from the California Governor's Office of Emergency Services (Cal OES) VOCA XE.

Executive Summary:
The Sonoma County Human Services Department (HSD), Adult & Aging Division was awarded a grant in the amount of \$206,000 for a one-year period from January 1, 2021 to December 31, 2021 from the Cal OES VOCA XE. This Cal OES grant through the VOCA XE program funds an elder advocate and elder law attorney who provide victim advocacy, care coordination and legal assistance for elder and dependent adult victims of crime; Cal OES requires a Board Resolution to accept the funding.

Discussion:
The California Governor's Office of Emergency Services (Cal OES) Victims of Crime Act (VOCA) XE helps at-risk individuals and families obtain safety and shelter.

The VOCA XE project is designed to support the goal of increasing access to services for elder and dependent adult victims of crime in Sonoma County by achieving the following objectives:

- A. Providing case management, outreach, and advocacy to victims through on-site services of the Council on Aging and the Family Justice Center Sonoma County (FJCSC);
- B. Providing legal services for victims through an on-site Legal Aid attorney and assistant;
- C. Providing comprehensive health, housing, mental health and other services to victims through partners at the FJCSC and other referrals; and

D. Coordinating and leveraging existing community services for elders and dependent adults to improve and expand services to meet the needs of an expanding senior population.

The VOCA XE project strengthens the current fragile safety net of providers who serve this population of community-based services and supports, vital to future generations of seniors. It provides wrap-around support services for victims of elder and dependent adult abuse.

The Council on Aging Elder Advocate will serve 102 victims of elder and dependent abuse through case management services over the course of this grant. The Elder Law Attorney from Legal Aid will provide safety-based legal services to program clients. Legal Aid will assist approximately 55 clients with elder abuse related issues over the course of the grant.
