**Title:**

Amendment to First 5 Sonoma County Commission Ordinance

**Recommended Action:**

Adopt an Ordinance amending Ordinance No. 6257 (establishing the First 5 Sonoma County Commission as an independent public agency) to add representatives of tribal governments to the potential group of at-large members on the Commission.

**Executive Summary:**

On March 19, 2019, the Board adopted Ordinance No. 6257 to establish the First 5 Sonoma County Commission as an independent public agency. Section III of the Ordinance specifies the Commission Membership and identifies the group of at-large members that are appointed by the Board of Supervisors in addition to the three permanent members. The First 5 Commission presented a proposed amendment to Ordinance No. 6257 to the Board of Supervisors on May 21, 2024, to expand representation on the Commission to include tribal representatives. The Board approved the proposed amendment. This item now seeks adoption of the Ordinance to add representatives of tribal governments to the potential group of at-large members.

**Discussion:**

On March 19, 2019, the Board adopted Ordinance No. 6257 to establish the First 5 Sonoma County Commission ("Commission") as an independent public agency. The Commission had previously existed in a different format and structure as part of the County's Department of Health Services since 1998.

Section III of Ordinance No. 6257 specifies the Commission Membership and identifies the members that are

appointed by the Board of Supervisors, as required pursuant to Health & Safety Code § 130140. In addition to three permanent members, which are comprised of one member of the Board of Supervisors and two members from the Sonoma County Health Services and Human Services Departments, Health & Safety Code § 130140(a)(1)(A)(iii) provides for the appointment of members at-large from representative groups including service recipients, educators, local child care agencies, local organizations for prevention or early intervention for families at risk, community-based organizations aimed at nurturing and early childhood development, local school districts, and local medical, pediatric, or obstetric associations or societies. In addition, representatives of cities and towns that have established policy and/or dedicated resources to promoting the healthy development of children 0-5 and their families were added to Section III of Ordinance No. 6257.

The Commission formed an ad hoc committee to work on aligning First 5 Sonoma's mission, vision and recruitment practices with the First 5 Sonoma County Working Framework to Advance Diversity, Equity, Belonging and Anti-Racism. The Framework was adopted by the Commission on January 23, 2023, <https://first5sonomacounty.org/wp-content/uploads/January-Approved-minutes.pdf>, and identifies several impact areas, timelines and action items to advance First 5 Sonoma's role as leader in diversity, equity, belonging and anti-racism for early childcare and families in our local communities. Expanding the potential group of at-large-members to include stakeholders from tribal governments and organization was one of the identified actions items.

On February 26, 2024, the First 5 Commission approved a recommendation to the Board of Supervisors to expand representation on the Commission to include tribal representatives.

In accordance with the Commission's recommendation, the First 5 Commission presented a proposed amendment to Ordinance No. 6257 to the Board of Supervisors on May 21, 2024, to expand representation on the Commission to include tribal representatives. The Board approved the proposed amendment, and this Board item now seeks to adopt an amendment to the Ordinance to add representatives of tribal governments to the potential group of at-large members.
