Executive Summary:

The Sonoma County Housing Authority, a division of the Sonoma County Community Development Commission, was awarded an additional 30 Mainstream Program Vouchers on December 19, 2022. These vouchers are specifically for non-elderly, disabled persons/households (ages 18-62) who are homeless or are at risk of homelessness. The Housing Authority quickly deployed the vouchers, resulting in the need to update operating rental costs appropriations financed with the increased award.

Discussion:

In June 2022, the Sonoma County Housing Authority (Housing Authority), a division of the Sonoma County Community Development Commission, applied for additional Mainstream Vouchers. These vouchers are specifically for non-elderly disabled persons or families who are homeless, at risk of homelessness, or persons who are at risk of institutionalization or exiting mental health institutions. In response to the application, the Housing Authority was awarded an additional 30 Mainstream Program Vouchers on December 19, 2022, bringing the total Mainstream Voucher Program to 261 vouchers.

Once the Housing Authority was notified of the award, the vouchers were quickly deployed using existing budget authority. The attached budgetary adjustment resolution will make additional appropriations of

\$900,000 available to maximize the leasing potential of these new Mainstream Vouchers.

In addition to rental assistance funding, this item is requesting an increase of \$250,000 in appropriations to cover anticipated increases administrative and staffing costs.
