The discussion in this memo highlights a few key elements of the Recommended Budget. The Recommended Budget and additional materials for budget hearings are available at: [≤ https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports](https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports) <<https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>> provide in depth information on administrative details associated with the budget as well as areas of policy updates.

The schedule and a detailed description of the binder contents can be found in Tab 1 of the above-mentioned budget binder materials.

Discussion:

The total recommended uses (less operating transfers) for FY 2022-23 is \$2.14 billion. This is financed by \$1.94 billion in sources and \$204 million in use of fund balance. Use of fund balance includes use of accumulated revenues or bond funding for capital projects and other one-time costs. Total use of fund balance is decreasing by \$5.2 million from the FY 2021-22 adopted budget. Details regarding the overall recommended budget can be found on pages 9-14 of the Recommended Budget book and details associated with department’s budgets can be found within that book. The Recommended Budget Book is available here: <<https://sonomacounty.ca.gov/Main%20County%20Site/Administrative%20Support%20%26%20Fiscal%20Services/County%20Administrator/Documents/Public%20Reports/Budget%20Reports/0-Recommended%20Budget%20FY%202022-23%20FINAL.pdf>>

In addition to the Recommended Budget, additional information for the Budget Hearings is compiled for the Board of Supervisors and the public to explain staff recommendations to adjust the budget before final adoption. The information (commonly referred to as the “Budget Hearing Materials Binder”) can be found on the County’s Budget Reports webpage: <<https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>> <<https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>>.

The Budget Hearings were preceded by Spring Budget Workshops (April 25-27, 2022) in which departments presented an overview of their FY 2022-23 Recommended Budgets. The workshop materials and departmental PowerPoint presentations are available here:

On May 24, 2022, the Board considered the Homelessness Services Organization item, which included a recommendation by staff to move the Community Development Commission's Ending Homelessness team to the Department of Health Services under a new Homelessness Services Division. The proposed recommendation included adding positions to support a new division within the Health Department. The funding request (approximately \$830,000 annually) is included in the Budget Adjustment Tool - Tab 4 of the Budget Hearing Binder. Should the Board approve the funding for this recommendation, there is draft language in the attached resolution that will allow for the implementation of the new organizational model. Because the reorganization involves moving positions between the Community Development Commission, a separate legal entity, and the County, a specific board action is required to allow staff to begin the meet and confer process with affected labor organizations and take other steps necessary for the eventual movement of positions. The draft budget resolution includes the recommended action.
