**Title:**

Deferred Compensation Plan Documents Update

**Recommended Action:**

Approve the resolution authorizing the Auditor-Controller-Treasurer-Tax Collector to update and execute changes to Deferred Compensation Plan documents as necessary to comply with Internal Revenue Service requirements.

**Executive Summary:**

The Auditor-Controller-Treasurer-Tax Collector is requesting the Board approve the resolution authorizing the Auditor-Controller-Treasurer-Tax Collector to update and execute changes to Deferred Compensation Plan documents as necessary to comply with Internal Revenue Service requirements. In accordance with IRS requirements, the County's Plan documents are currently subject to a six-year restatement cycle.

**Discussion:**

The County Deferred Compensation Plan ("Plan") is managed by the Auditor-Controller-Treasurer-Tax Collector ("ACTTC") and is administered through a contract with Nationwide Retirement Systems, Inc. ("Nationwide"), and includes the 401(a), 457 and Part-time, Seasonal, Temporary ("PST") plans. The County maintains the Plan on behalf of all eligible employees under a negotiated Memorandum of Understanding/Salary Resolution, appointed or elected officials, other participants, such as retirees, and beneficiaries.

Qualified retirement and deferred compensation plans are required to have written plan documents that define the terms and conditions related to the operation and administration of the plan. Since the County's Salary Resolution changes from time to time and the laws pertaining to retirement plans are constantly changing, the written Plan documents must be periodically updated to comply with these changes.

On a short-term basis, Plan changes can be accommodated with an interim amendment, but every six years the IRS requires all pre-approved plan documents to be completely restated to incorporate the interim amendments and to document Plan operations since the last restatement period. The County's Plan documents are currently subject to a six-year restatement cycle, which must be completed by July 31, 2022

and with an effective date of January 1, 2022.

As the provider of Plan administrative services, Nationwide assists the County with the compliance process and has provided draft Plan document amendments. The County, as Plan Sponsor, is responsible for maintaining the Plan documents and keeping the Plan in good standing. Plan document changes typically include any changes to employer 401(a) matching contributions, as negotiated with bargaining units and included in the Salary Resolution, various eligibility and vesting requirements, and conditions for Plan participant allocations and distributions.

The ACTTC is requesting Board authorization to update and execute Plan documents to reflect Plan terms and conditions as necessary to comply with IRS requirements.
