Title:

Annexation to the Sonoma Valley County Sanitation District for Hodgson; 450 Denmark Street, Sonoma; SEW21-0278

Recommended Action:

Adopt a resolution authorizing the annexation of 450 Denmark Street in Sonoma, Assessor Parcel Number 128-151-013 to the Sonoma Valley County Sanitation District. (First District)

Executive Summary:

The recommended resolution will authorize annexation of 450 Denmark Street in Sonoma, with APN 128-151-013, to the Sonoma Valley County Sanitation District.

Discussion:

Owner, Peter Hodgson has requested to the County of Sonoma, Permit and Resource Management Department (Permit Sonoma) that 450 Denmark Street in Sonoma, with APN 128-151-013 (Parcel) be annexed into the Sonoma Valley County Sanitation District (District).

Parcel was previously annexed into the City of Sonoma (City) with one existing single-family-dwelling. Now the owner is requesting that the Parcel be annexed into the District. The City is processing a proposal for a three-lot subdivision dependent in part on the Parcel being annexed to the District.

Permit Sonoma, Planning staff has determined Parcel is located within the Western boundary of City, Urban Service Area, Urban Growth Boundary, and Sphere of Influence for Sonoma, and is consistent with General Plan Policies and Goals LU-3c, PF-1f, and WR-1p.

The applicant shall obtain a septic tank destruct permit prior to connection to the sewer system.

The District's General Manager has determined that approval of the resolution in support of annexation is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301(b), Existing Facilities, as it represents an additional connection to an existing public facility that involves negligible or no expansion of an existing or former use, and Section 15303(d), New Construction or Conversion of Small Structures, as it consists of construction of limited new, small sewage improvement of reasonable length to serve the parcel. District staff has prepared a Notice of Exemption in accordance with the CEQA, the State CEQA Guidelines and the District's Procedures for the Implementation of CEQA.

The owner of Parcel must apply to the Local Agency Formation Commission (LAFCO) for review and approval of annexation of Parcel to the District, and LAFCO intends to add Parcel pursuant to requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

Annexation of Parcel will not be effective until it has been approved by LAFCO and a LAFCO Certificate of Completion has been recorded with the Sonoma County Recorder's Office.

Prior to sewer connection, the Owner of the Parcel must pay sewer connection and service fees required for all uses on Parcel, and proposed parcels, based on the current method of calculations per District Ordinances in effect at the time of connection to sewer.
