Title:

County of Sonoma Note Renewal

Recommended Actions:

Approve resolution authorizing renewal of a 1-year note in the current principal amount of \$2,520,000 to be sold to the Sonoma County Treasurer to continue to facilitate the financing of the Sonoma County Development Commission's purchase of the surplus real property at 2150 W. College Avenue in Santa Rosa. (Fifth District)(4/5th Vote Required)

Executive Summary:

In July of 2017, the Board facilitated the Sonoma County Community Development Commission's (Commission) purchase of real property located at 2150 W. College Avenue by issuing a \$4.2M note sold to the Sonoma County Treasurer. Using the proceeds of the note, the County loaned the Commission \$4.2M to purchase the property, and the Commission committed to repay that debt with future County Fund for Housing resources, in the approximate amount of \$900,000 per year over five years.

This item allows the County and Treasurer to review the feasibility for issuance of a new note, to be purchased as an investment for the Treasury Pool, subject to the consent of the Treasurer, at the reduced principal of \$2,520,000 for this year.

Discussion:

In July of 2017, the County of Sonoma issued a one-year note (see Attachment 2) in the amount of \$4.2

million, and the Sonoma County Treasurer purchased said note at an interest rate not exceeding 2.5 percent per annum, reflecting the Treasury Pool Investment rate plus 75 basis points (0.75%) to facilitate the Commission's purchase of 2150 W. College. The Commission is not authorized to issue debt, which is why the County was a party to these transactions.

The County and the Treasurer will annually review and the County will seek approval from the Board of Supervisors for issuance of a new note, to be purchased as an investment for the Treasury Pool, subject to the consent of the Treasurer, at the then-reduced principal for an additional year, until the amount borrowed is fully paid off (must be no later than at the end of five years from the original loan date.)

The Debt Advisory Committee gave its consent to the original financing arrangement at its meeting on April 17, 2017.

An allocation of approximately \$900,000 per year from the County Fund for Housing will retire the debt within five years of the original note. Your Board would also have the flexibility to approve the allocation of more or less funding for County Fund for Housing from County Reinvestment and Revitalization funds in any particular year, should that alternative be necessary or desirable.
