**Title:**  
Behavioral Health Services Agreement Amendment

### Recommended Actions:

Authorize the Director of Health Services to execute the sixth amendment to an agreement with Santa Rosa Treatment Program, Inc. for substance use disorder services, increasing the fiscal year 2018-2019 contract amount by \$392,629 for a new total not-to-exceed amount of \$4,314,500 through June 30, 2019.

### Executive Summary:

The Department of Health Services contracts with Santa Rosa Treatment Program, Inc. to operate a Therapeutic Narcotic Treatment Program for Drug Medi-Cal eligible recipients. The program provides outpatient therapeutic substance use disorder treatment in the form of narcotic replacement therapy to opiate dependent adults.

On July 10, 2018 the Department requested and received approval to fund Santa Rosa Treatment Program in the amount of \$1,810,000 for fiscal year 2018-2019. This request was made as part of the Department's request for delegated contract authority for mental health and substance use disorder services in the amount of \$37,577,694 for fiscal year 2018-2019. The Department's updated estimate for expenditures on the Santa Rosa Treatment Program agreement is \$2,202,629 for fiscal year 2018-2019. Approval of the proposed amendment allows the Department to fully fund Santa Rosa Treatment Program through this fiscal year and effectively increases the Department's delegated contract authority for mental health and substance use disorder services for fiscal year 2018-2019 by \$392,629, for a total of \$37,970,323.

### Discussion:

The Department of Health Services contracts for behavioral health services to access expertise not available internally, to expand existing services to match consumer needs to provider expertise, and to supplement staff

shortages for specialized client needs. Contracted services for narcotic treatment program services may include intake, treatment planning, medical direction, body specimen screening, physician and nursing services related to substance abuse, medical psychotherapy, individual and group counseling, admission physical examinations and laboratory tests, medication services, and the provision of methadone.
