Title:
Memorandum of Understanding between the County of Sonoma and the Sonoma County Law Enforcement Managers Association

Recommended Action:

Adopt a Resolution approving the Memorandum of Understanding between the County of Sonoma and the Sonoma County Law Enforcement Managers Association from Board Adoption through July 2, 2023.

Executive Summary:

Representatives of the County and the Sonoma County Law Enforcement Managers Association (SCLEMA) met and conferred and reached a Tentative Agreement (Attachment A) regarding negotiated changes to the terms and conditions of employment for a successor Memorandum of Understanding (MOU) to be effective from Board adoption through July 2, 2023. All changes negotiated for the 2019-2023 successor MOU become effective upon adoption by the Board of Supervisors/Board of Directors, unless otherwise specified in the Tentative Agreement. SCLEMA membership has voted and ratified the Tentative Agreement on August 5, 2019.

Discussion:

Due to the fiscal uncertainty caused by the October 9, 2017 Sonoma Complex fires, the County and SCLEMA previously negotiated a one year extension of the 2016-2018 MOU, which expired on July 2, 2019. Recently, representatives of the County and SCLEMA met and conferred and reached a Tentative Agreement on July 26, 2019 regarding the terms and conditions of employment, from Board Adoption through July 2, 2023.

The following is a brief summary of the major provisions negotiated in this agreement:

Discussions shall address the following items: unfunded liability cost sharing; pension cost sharing; pension obligation bonds; retiree medical benefits;

longevity; and retiree cost of living adjustment. The Committee will make advisory recommendations to the County Administrator.

Government Code Compliance Requirements

Various provisions of the California Government Code require certain disclosures before the Board can adopt changes in salaries or benefits, with additional disclosure required for changes in pension and other post-employment benefits. Any changes in salaries and benefits must be adopted at a public meeting of the Board (Cal Gov't Code §23026). Notice of the consideration of such increases must be provided prior to the meeting and shall include "an explanation of the financial impact that the proposed benefit change or salary increase will have on the funding status of the county employees' retirement system." (Cal Gov't Code §31515.5).

In addition, when considering changes in retirement benefits or other postemployment benefits, the Board "shall secure the services of an actuary to provide a statement of the actuarial impact upon future annual costs, including normal cost and any additional accrued liability, before authorizing changes in public retirement plan benefits or other postemployment benefits." (Cal Gov't Code §7507). When there are changes in retirement benefits or other postemployment benefits, the statement of actuarial impacts shall be provided by an enrolled actuary and shall be made public at a meeting at least two weeks before the adoption of the increase in benefits. (Cal Gov't Code §31516). This staff report recommends the Board adopt changes in the SCLERA MOU, including changes to salary and benefits contributions only, with no changes to pension benefits or other post-employment benefits (retiree medical).

Segal Valuation Analysis

Based on the analysis conducted by Segal Consulting (Segal), the actuaries for the Sonoma County Employees Retirement Association (SCERA), the net impact over the four year MOU term results in an overall increase in the County's annual contributions, and it is anticipated the actuarial assumptions included in future years' valuations will be sufficient to cover the costs of all negotiated salary increases and other salary adjustments over the four year term.

The analysis compares proposed labor changes to the following Sonoma County Employees' Retirement Association (SCERA) adopted salary assumptions:

- 3.5% applied to the 2017 Actuarial Valuation used to establish employer and employee pension contribution rates for 2019-20
- 3.25% used in the December 31, 2018 valuation, and to be used for the FY 2020-21, 2021-22, and 2022-23 contribution rates

The actuarial assumption variations offset increases and decreases from year to year, resulting in an overall net increase in County costs of \$64,320 over the five fiscal year period and thus, should not materially impact the ongoing cost of the plan or the funding status of SCERA. Segal's analysis of the annual impact over each fiscal year is included in Attachment B, and summarized in the table below.

	Annual Employer Normal Cost	Annual UAAL amortized cost	Total Annual Increased Contribution
	(a)	(b)	(a + b)
FY - 2019/20	+\$6,000	+\$10,000	+\$16,000
FY - 2020/21	+\$14,500	+\$21,000	+\$35,500
FY - 2021/22	+\$6,200	+\$9,400	+\$15,600
FY - 2022/23	-\$930	-\$1,050	-\$1,980
FY - 2023/24	-\$19,900	-\$28,000	-\$47,900
