Discussion:

Area Agency on Aging Programs Contract Amendment

The California Department of Aging (CDA) issues Standard Agreement Amendments each year to allocate changes to fiscal year baseline funding for Area Agency on Aging contracted services for older and disabled adults in the community. CDA issued Standard Agreement AP-1920-27 Amendment 1, funding for FY19/20, which included the increase for the Ombudsman Program.

An original contract for \$ 693,767 was approved by the Board on July 11, 2019. Amendment #1, executed on August 29, 2019, added \$4,908 in additional funding to support our Medicare improvements for Patients and

Providers Act (MIPPA) program. This amount did not require Board approval.

Ombudsman Program

The Ombudsman Program provides services to protect the health, safety, welfare, and rights of individuals who are residents of long-term care facilities (i.e. nursing, skilled nursing, residential care facilities for the elderly, and other similar adult care homes). Under the direction of the contractor's Director or Volunteer Coordinator, staff and volunteer ombudspersons are individually certified by the State Ombudsman to investigate and resolve complaints made by or on behalf of long-term care facility residents, including elder abuse allegations in the facilities. Contract staff and volunteers provide consumer information regarding long-term care facilities and community education on long-term care issues and laws affecting older adults residing in the facilities. These activities are contracted to and administered by Senior Advocacy Services (SAS).

Activities of the Ombudsman program include:

1. Resolve at least 80% of the complaints received (approximately 1,025 complaints received per fiscal year).
2. Visit at least 20 Skilled Nursing Facilities not in response to a complaint per fiscal year
3. Visit at least 60 Board & Care Facilities not in response to a complaint per fiscal year
4. Attend approximately 100 meetings with facility Resident Councils
5. Attend approximately 20 meetings with facility Family Councils
6. Provide approximately 5,000 consultations to individuals

Provide approximately 25 community education sessions

Narrative Explanation of Fiscal Impacts:

The current fiscal year budget of \$698,675 will be augmented by additional revenues from the California Department of Aging in the amount of \$97,263, which is comprised of \$83,264 in baseline (recurring) funding and \$13,999 in one-time funding. A budget resolution from a prior board action on 7/9/2019 regarding this contract with CDA allows the Human Services Department to modify appropriations accordingly. The funding augmentation is a State allocation that must be drawn down through the filing of expense reimbursement claims each year after the contract is renewed annually. The revenue augmentation and associated expense appropriation will be posted to subsection 24030153 Area Agency on Aging (AAA) against General Ledger code 53012 (Support & Care of Persons)
