To: Sonoma County Board of Supervisors
Department or Agency Name(s): Agriculture/Weights & Measures
Staff Name and Phone Number: Andrew Smith, 565-2371
Vote Requirement: 4/5th
Supervisory District(s): Countywide

Title:
Professional Services Agreement for Engineering and Geologic Review of VESCO Projects

Recommended Action:

Authorize the Agricultural Commissioner/Sealer of Weights and Measures (Department) to execute a professional services agreement with EBA Engineering (Consultant) for engineering and geologic review of VESCO projects for the period of December 15, 2020 through December 14, 2023. (4/5th Vote Required)

Executive Summary:

In August 2020, the Department conducted a request for proposals (RFP) for Engineering and Geologic Review of Vineyard and Orchard Site Development Ordinance (VESCO) Plans. The RFP was open for the period of August 3, 2020 through September 14, 2020. Following a review of the Consultant's proposal, interviews, and reference checks, it has been determined that it would be in the County's best interest to enter into a three-year contract for the Consultant to verify the engineering and geologic components of vineyard and orchard site development plans and to verify that such plans comply with Chapter 36 of the Sonoma County Code and Best Management Practices.

Discussion:

On August 3, 2020, the Department released a request for proposals (RFP) for Engineering and Geologic Review of Vineyard and Orchard Site Development Ordinance (VESCO) Plans. The RFP was open for the period of August 3, 2020 through September 14, 2020. Notification of the RFP was sent to 46 local and regional engineering firms. One proposal was received as a result of the RFP from EBA Engineering (Consultant), a California corporation located in Santa Rosa, California.

Following a review of the Consultant's proposal, interviews, and reference checks, it has been determined that

it would be in the County's best interest to enter into a three-year contract for the Consultant to verify the engineering and geologic components of vineyard and orchard site development plans and to verify that such plans comply with Chapter 36 of the Sonoma County Code and Best Management Practices.
