Title:

County of Sonoma Conflict of Interest Code Update

Recommended Action:

Adopt the resolution revising the conflict of interest code for the County of Sonoma.

Executive Summary:

This recommended action is to make revisions to the County of Sonoma's own Conflict of Interest Code. This is a process to protect the public's interest in ensuring government employees are not making decisions to promote their own financial interests. Pursuant to state law, every two years County departments review positions that are listed as having authority to impact spending and recommend changes.

Discussion:

This agenda package relates to the County of Sonoma's own Conflict of Interest Code.

State law requires that each local agency adopt a conflict of interest code identifying (1) those positions in which officers or employees make decisions affecting government spending ("designated employees"), and (2) the types of personal interests which could be affected by those decisions ("disclosure categories").

State law requires that at the close of each even numbered year, each agency review its code and determine whether any changes should be made. In the fall of 2019, the Clerk of the Board contacted all Department Heads and requested that they review the list of designated employees that related to their department. Department Heads have suggested certain changes to reflect positions added, title and responsibility changes,

and positions deleted. County Counsel has reviewed and approved these changes.

Specific revisions to each department's list of designated employees are as follows:

BOS/CAO: Included new positions that make or participate in making governmental decisions.

Clerk-Recorder-Assessor: Included new positions that make or participate in making governmental decisions.

Department of Emergency Management: Included new positions, revised the titles of existing positions and deleted the titles of positions that no longer exist, are no longer allocated in the department, or no longer make or participate in making governmental decisions. Also, changed the name of the Department.

Department of Health Services: Deleted the titles of position that no longer exist, are no longer allocated in the department, or no longer make or participate in making governmental decisions.

Economic Development Board: Included new positions that make or participate in making governmental decisions.

Human Services Department: Deleted the titles of position that no longer exist, are no longer allocated in the department, or no longer make or participate in making governmental decisions.

Information Systems Department: Included new positions that make or participate in making governmental decisions and revised disclosure categories.

Regional Parks: Included new positions that make or participate in making governmental decisions and revise disclosure categories.

Sheriff's Office/Coroner: Included new positions that make or participate in making governmental decisions.
