Executive Summary:

The County participates in various levels of legislative advocacy led by the Board and supported by departments, staff, and community partners. State and federal advocacy has been critical to maintaining and generating new sources of state and federal funding for Sonoma County. The County's budget is comprised of a significant amount of state and federal revenue, much of which is under constant threat from legislative or programmatic reductions. In addition, the County has continually used its legislative advocacy to advance key

issues and programs, such as wildfire resiliency, housing and homelessness, and climate action.

On December 11, 2020, request for proposals were released by the County Administrator's Office to a comprehensive list of state and federal legislative advocacy firms. A thorough evaluation was completed by County staff who then recommended two state and five federal legislative advocacy firms for interview by your Board. On January 25, 2021 your Board interviewed each of the finalists.

This item seeks Board authorization for the County Administrator to execute agreements with the recommended state advocacy firm, Shaw Yoder Antwih Schmelzer and Lange and federal advocacy firms Alcalde & Fay and Van Scoyoc Associates.

Discussion:

The County Administrator's Office released a Request for Proposal on December 11, 2020 for state and federal advocacy to a broad list of firms. Sonoma County received three state and seven federal proposals in response, and pursued a thorough and impartial evaluation. Your Board conducted interviews with each of the finalists on January 25, 2021.

Based on this process, the County Administrator's Office is recommending the following three (3) firms to leverage specific areas of expertise. It is recommended that the County use:

- Shaw Yoder Antwih Shmelzer & Lange (SYASL) to provide advocacy for state issues including all legislative coordination and strategy;
- Alcalde & Fay to provide federal legislative advocacy related to general needs as well as overall legislative coordination and strategy; and
- Van Scoyoc Associates to provide federal advocacy related to health services, transportation and tribal issues.
